

## **WILTSHIRE COUNCIL**

WILTSHIRE PENSION FUND COMMITTEE  
10 DECEMBER 2015

---

### **UPDATE OF ADMINISTERING AUTHORITY DISCRETIONS POLICY**

#### **Purpose of the Report**

1. The purpose of this report is to seek the Committee's approval for the updated Administering Authority (AA) Discretions Policy for the Wiltshire Pension Fund.

#### **Background**

2. Under the Local Government Pension Scheme (LGPS) Regulations, there are a number of discretions available to both the AA and employer bodies in terms of the way they implement the Regulations.
3. The Regulations require that each AA and employer body must formulate, publish and keep under review their policy due to changes in the LGPS regulations that are issued from time to time from the Department for Communities & Local Government.
4. This report focuses entirely on the discretions of Wiltshire Council as AA for the Wiltshire Pension Fund. It does not look at the discretions of the Council as an Employer Body – that is a matter for the Council's Staffing Committee.
5. This paper effectively updates the previous policy approved by this Committee on 12 May 2011 and has been drafted to cover all of the Administering Authority's discretions as detailed in the LGPS Regulations 2013.

#### **Considerations for the Committee**

6. The proposed updated Policy Statement is shown in the Appendix and is broadly the same as previously agreed by this Committee. In reality, the policy is effectively restating policies that are currently in operation. This updated policy which will provide the following:
  - Guidelines to which staff administering the Fund on behalf of the committee will work within;
  - Confirmation of the responsibilities of officers acting on behalf of the Fund;
  - Transparency in processes undertaken.
7. These discretions have been amended to either cover or provide clarity on the following topics (and shown in the shaded boxes of the attached):
  - Additional clarification surrounding Admission Agreements (4);
  - Record keeping process for member's pension accounts (5);
  - Procedure for deciding which pension account should be aggregated in the absence of an election from a member (6);
  - Clarification of the timescales for payments to be made to the Fund by employers(10)

- Clarification of the requirement and format of data to be submitted by employers to the Fund accompanying payments (11);
  - The process of approving an application for a member wishing to buy extra pension but the Fund are not satisfied that the member is in good health (15);
  - Determining an impractical request for a member to buy extra pension over a period of time (16);
  - Clarification of the Fund's process if it will suspend an employer's obligation to pay an exit payment where the employer is likely to have active members within the period of suspension (22);
  - Defining whether the Fund would require any "strain costs" to be "paid up front" if an employer utilises its discretion to switch on the 85 year rule or waives actuarial reductions (26);
  - The procedure of approving medical advisors that are used by employers for guidance on ill health cases (30);
  - Defining procedures surrounding the local pension board (40 & 41);
  - Determining discretions upon which the Fund must make in respect of former employees where their former employer has ceased to be a Scheme employer (52, 53, 54 & 55)
  - Extending the limit by which a member must inform a WPF of their intention of taking their benefits before normal pension age (56)
8. The Committee will be asked to approve the updated policy following a verbal review from officers.
9. There are 6 discretions that the Fund has not published a policy on. It is deemed that these are not applicable.

### **Environmental Impacts of the Proposals**

10. There are no known environmental impacts of this proposal.

### **Financial Considerations & Risk Assessment**

11. There are no direct costs to Wiltshire Pension Fund or the Scheme's employers as a result of these policies.
12. The adoption of the policy will reduce the potential risk of Internal Dispute Resolution Procedure claims being submitted by members.

### **Reasons for Proposals**

13. It is necessary to provide an up to date policy to comply with the latest LGPS regulations.
14. Regulation 60(1) of the LGPS 2013 Regulations requires the AA to prepare a policy in relation to the exercise of its functions in cases where a former employer has ceased to be a Scheme employer.

### **Proposals**

15. The Committee is asked to approve the updated Discretions Policy Statement (Appendix)
