Public Participation – Wiltshire Good Neighbours Service (WGNS)

Question from Cllr Bob Jones MBE

1. Could you please inform me of the Annual cost of the WGNS and how this is funded including any third party contributions?
2. I am advised that the WGNS is to be shut down. Please can you advise on the current situation and the way forward including the number of people likely to be made redundant?
3. If the WGNS is to cease can you inform me of any consultation that took place over this decision?
