

WEST WILTSHIRE PARISHES: PROPOSED WAITING RESTRICTIONS

RECOMMENDATIONS FOR AMENDMENTS TO PROPOSALS

Atworth

Mead Park

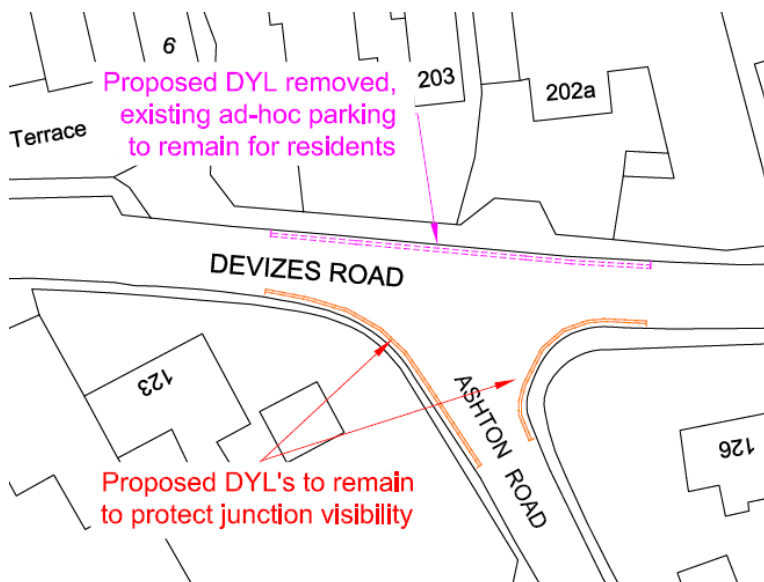

After further consideration the proposed restrictions could be shortened only to protect the crucial immediate 10 metres within the junction with Bath Road.

Hilperton

Devizes Road

Since reviewing the comments raised during the consultation further investigation on site, it is considered that the existing parking on the north side of Devizes Road opposite the Ashton Road junction can remain, acting as a further traffic calming feature and to maintain parking availability for residents on Devizes Road. Also in recognition that with the Hilperton GAP road nearing completion, traffic volumes are expected to fall.

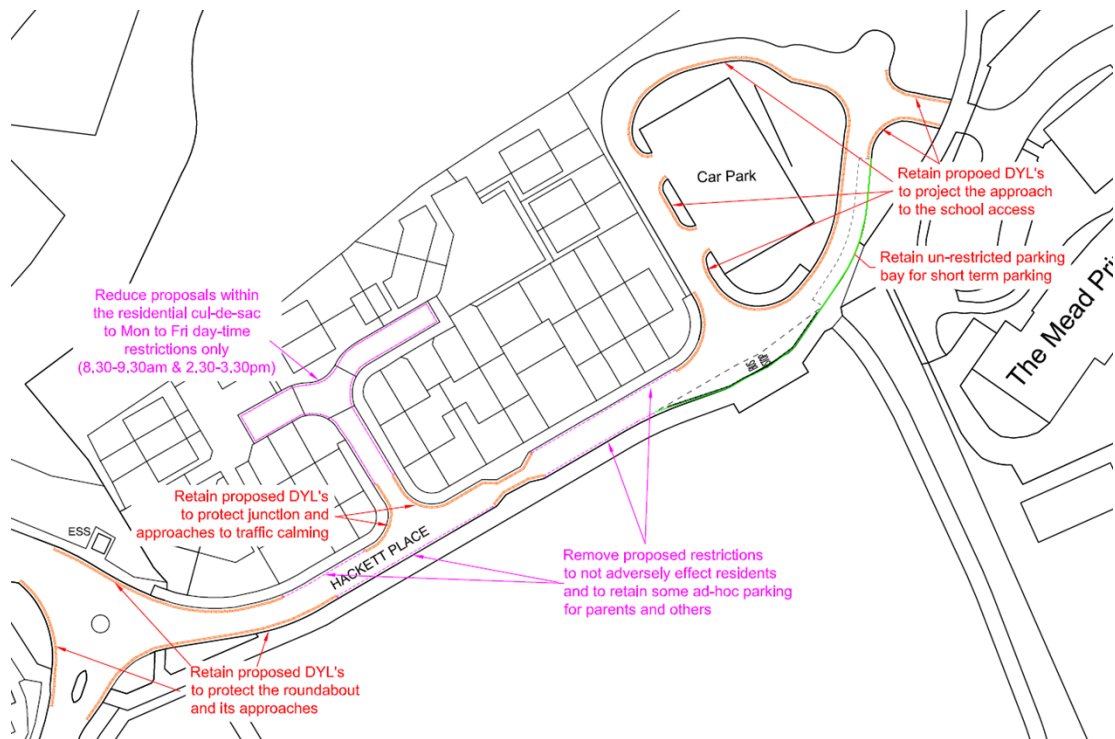

Hilperton cont...

Hackett Place

On reviewing the comments made, it is considered that the proposals could be reduced so that residents are not adversely effected, and that parents can still park in order to drop off and pick up their children from The Mead School, but not at the determent to highway safety; therefore, the proposals at key areas to protect junctions, accesses and traffic calming should remain.

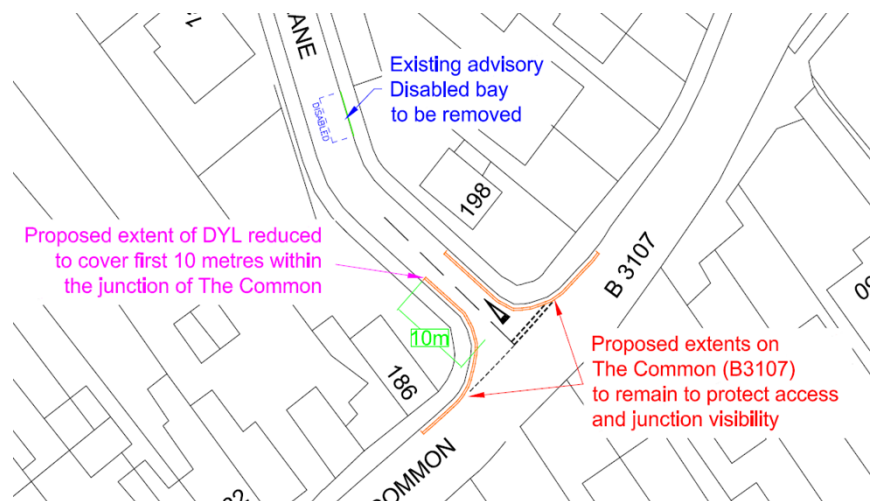

The proposals within the residential area to be reduced to a day-time restriction. Thus preventing driveways being blocked by parents/carers associated with the school, but not to hinder residents out of school hours.

Holt

Beckerley Lane

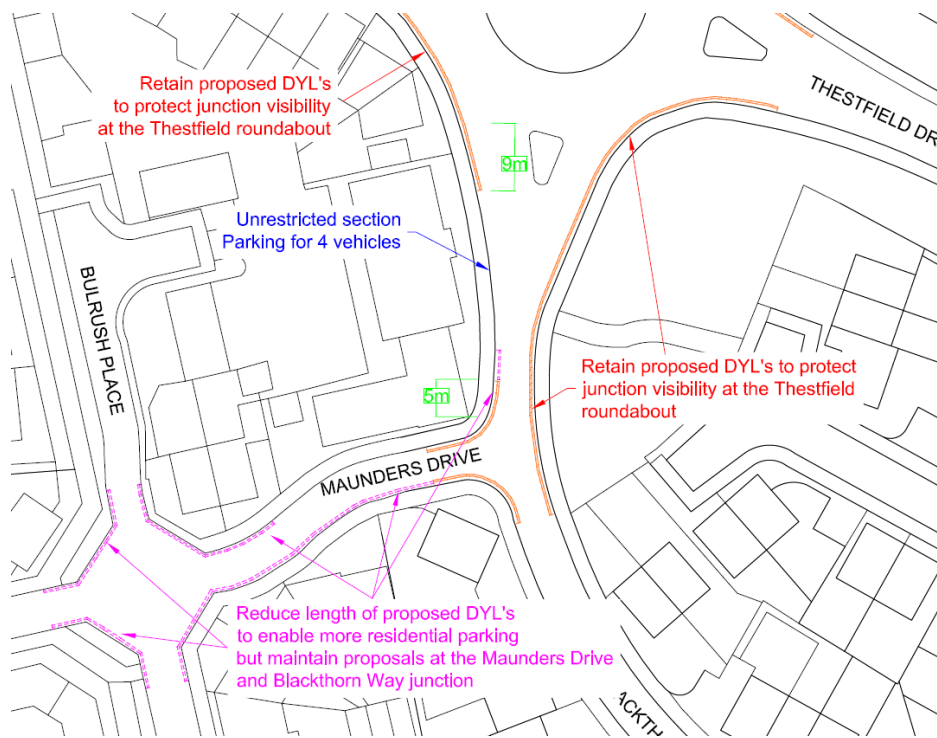

After reviewing the comments made, it is considered that the proposals could be shortened only to protect the crucial immediate 10 metres within the junction with The Common.

Staverton

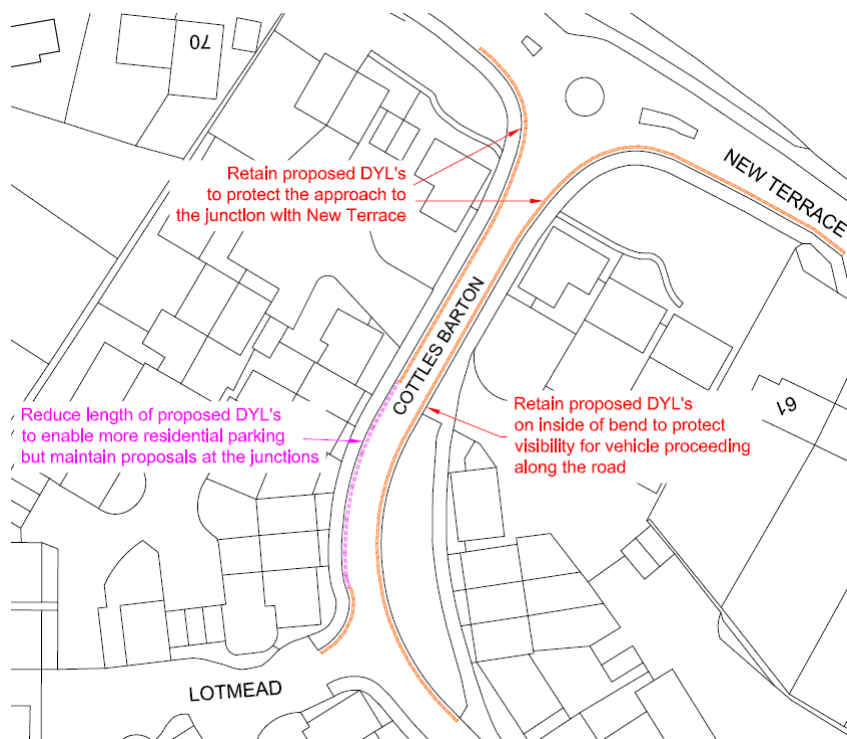

After reviewing the comments made, it is considered that the proposals could be reduced so that residents are not adversely effected, but not at the detriment to highway safety; therefore, the proposals at key areas to protect junctions, accesses and traffic calming should remain.

Blackthorn Way / Maunders Drive

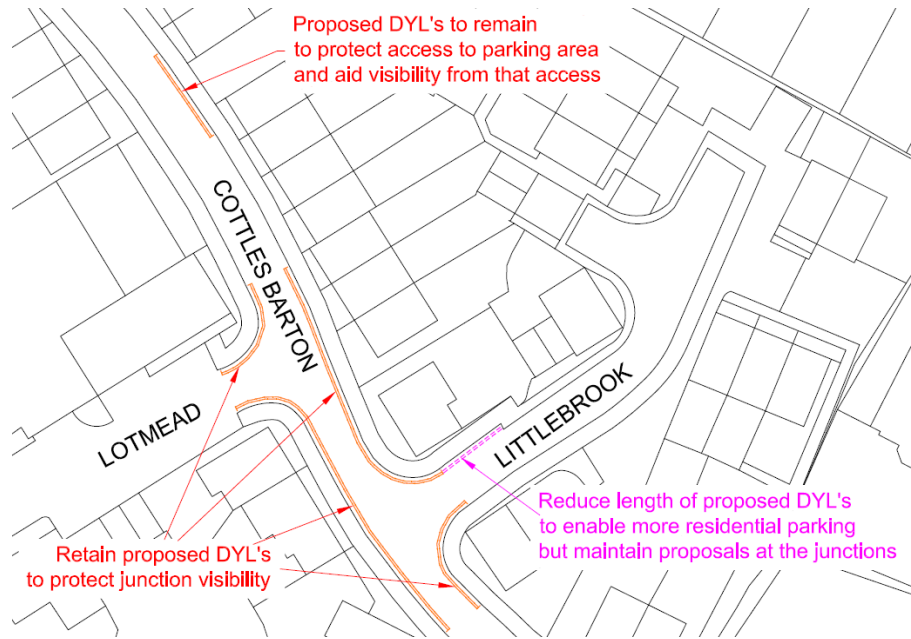

Staverton

Cottles Barton / New Terrace

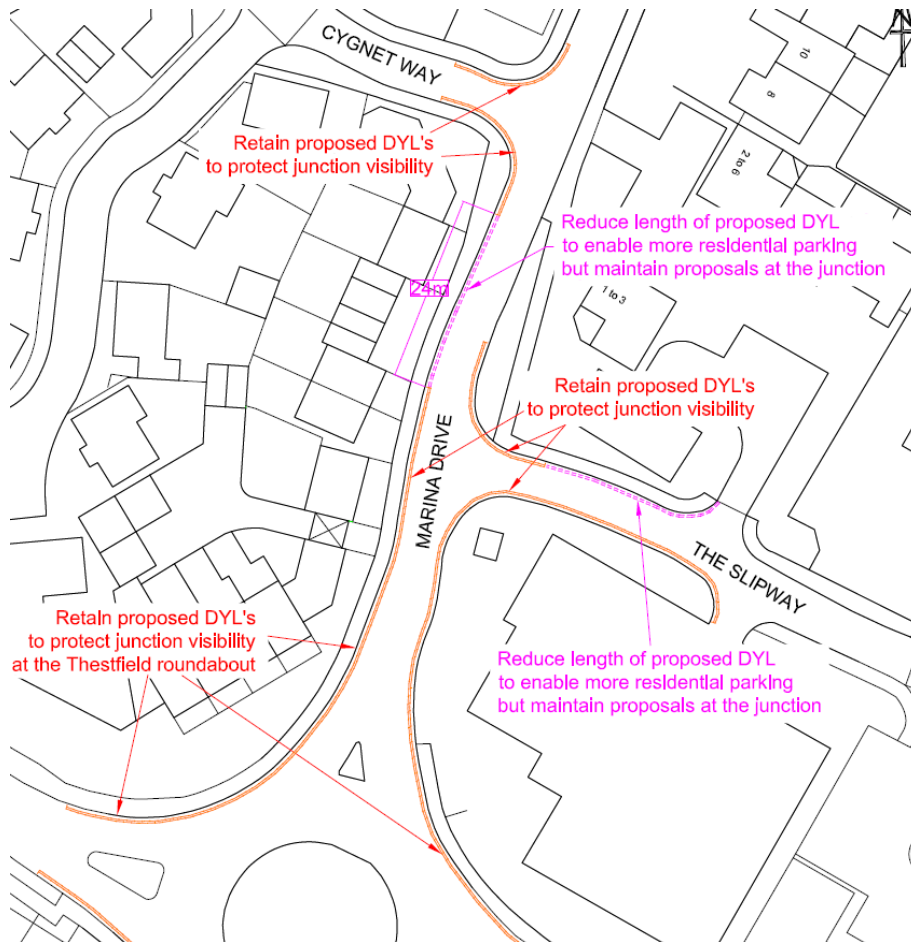

Staverton cont...

Cottles Barton / Littlebrook

Thestfield Drive / Marina Drive

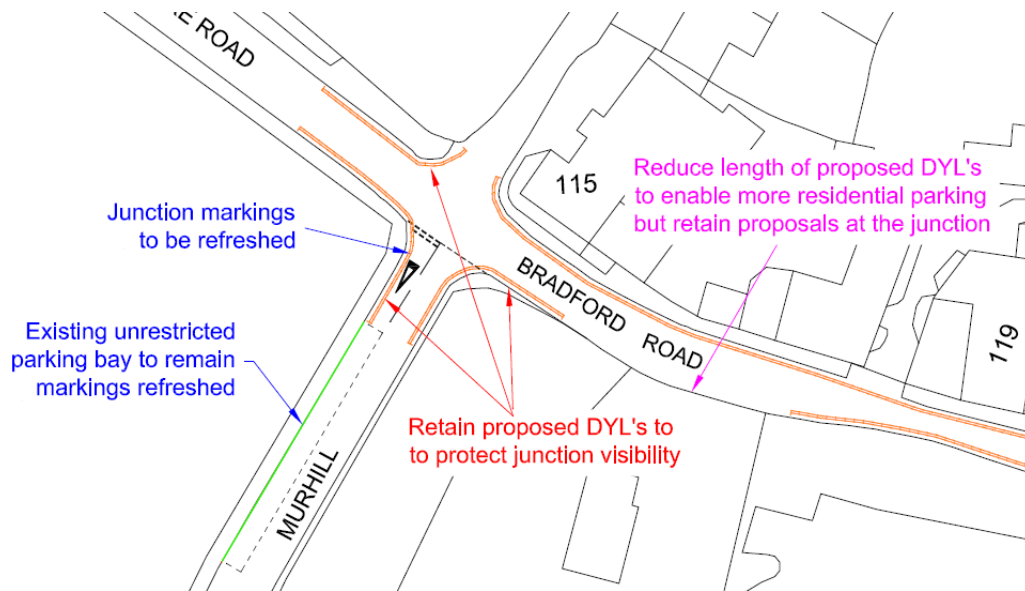

Winsley

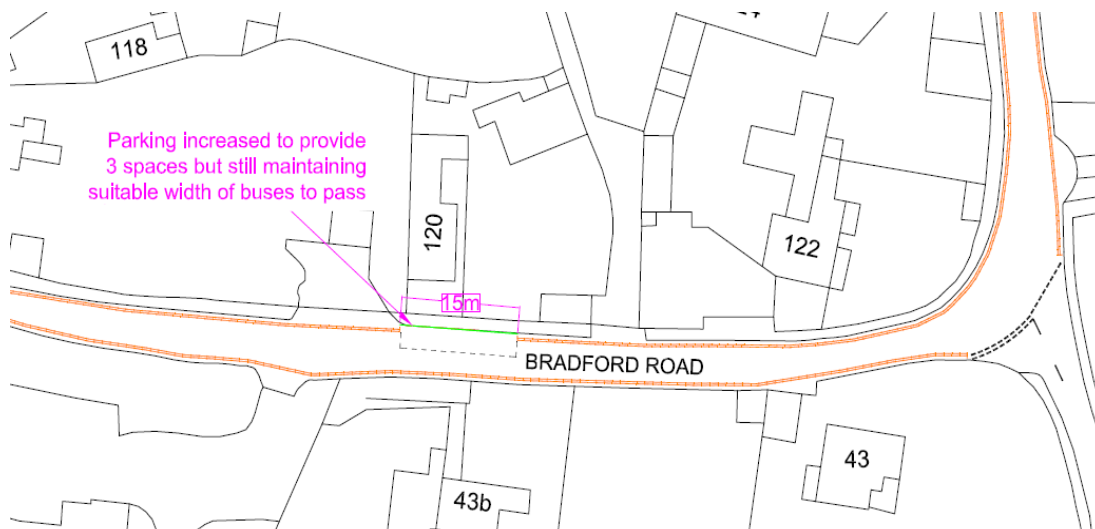

As with the other Parish areas since reviewing the comments made, and investigating further on site, it is considered that the proposals could be reduced so that residents are not adversely effected by the proposals, but not at the detriment to highway safety; therefore, the proposals at key areas to protect junctions, junction visibility and maintain free passage along the highway.

Bradford Road

- i) To reduce proposed restrictions to enable parking for residents in the wide area east of the Murhill junction.

- ii) To increase the unrestricted parking area outside no.120 where the available width still allows a bus to pass.

All other proposals to be implemented as advertised – site notices of the remaining proposals found at Appendix 4.
