Table 1 - infrastructure that may be funded, in whole or in part, through CIL

Table 1 above sets out the infrastructure that the council intends may be funded, in whole or in part, by CIL. Inclusion on the list does not signify a commitment from the council to fund (either in whole or part). The order of the list does not imply any preference or priority.

Wiltshire Council may not seek planning obligations through section 106 agreements for any of the infrastructure projects on the Regulation 123 List.

The Council will periodically review and update the Regulation 123 List.
