Wider Local Youth Network – Planning Group for the Music Festival

Plans are taking shape regarding the Marlborough Youth Music Festival (MY Music Festival) The festival will take place on the 24th September 2016 @ the Marlborough College between 2pm and 10pm.

The Planning Group would like to extend their thanks to the Area Board for 'ring fencing £5,000.00 from the Positive Activities for Young People's funds towards the event.

They would also like to extend their thanks to those who have given their time to the planning of the event so far, in various ways.

The group is keen to have the involvement of local people, especially those from the villages, so this event does not appear to be focused on young people living in the town. This is a Marlborough Community Wide Event.

They are also equally keen to hear from local musicians (young people) to perform at the event all budding musicians welcome. Whether they are in a band or not, the group want to hear from all types of acts, singers, dancers, DJ's, etc.

For more details – please contact Jan Bowra on 07747455746 or e-mail: janette.bowra@wiltshire.gov.uk .

Young people will need to register their interest by contacting Jordan Williams, while also providing evidence of their act by sending through their YouTube clip to wjordan858@gmail.com

Background

1.1 Area Boards have authority to approve Youth Grants area applications as per the Leaders Guidance for Community Area Grants on positive Activities for Young People, adopted by Marlborough Area Board. Area Boards will allocate their dedicated youth funds in accordance with this guidance issued by the Leader, meeting requirements of the Constitution. These decisions will take place at the public meetings to ensure that consideration on how the Youth Grants funding is deployed is open and transparent.

1.2 Area Boards must comply with the statutory equality and safeguarding duties as well as the council's rules on contracts and procurement and the code of conduct, as well as ensuring the Community Youth Grants criteria is met. Area Boards have been delegated the responsibility to ensure positive activities for young people are secured sufficiently to improve their well-being and to ensure support from Wiltshire

Council Children's Services has been received. This support will fundamentally come from the local areas Community Youth officer so Area Boards need to be sure this resource has been offered and enabled.

1.3 The Community Youth Officer is required to provide recommendations from the Local Youth Network management group through a report submitted to the Area Board. These recommendations will be generated from the Local Youth Network management group through the use of a scoring sheet matrix of each Youth Grant funding application. Community Area Boards must take into account these recommendations, advice and guidance.

1.4 When considering funding applications, the Area Board must ensure there is evidence that young people have participated in the decision making process. This will have been verified by the Community Youth Officer.

1.5 Area Boards must ensure that safeguarding and quality assurance standards have been met and that and must have the necessary policies and procedures in place to meet legal requirements. The Community Youth Officer will have carried out these checks on the group that has submitted an application for funding.

1.6 Applications of up to and including £5000 can be made for a Community Youth Grant and those that have sought match funding will carry more weighting.

1.7 Applications that involve and benefit groups of vulnerable young people will be given extra weighting when coming to a decision.

1.8 Applications must help meet the identified needs, priorities and outcomes for young people in the area that the Local Youth Network has provided through its community needs analysis.

1.9 Applications must be for positive activities for young people aged 13-19 (up to 25 years of age for young people with special additional needs and or disabilities and must be for new projects and or support community projects, not retrospective applications. The Community Youth Grant funding is for revenue based positive activities for young people and is ring-fenced for this purpose.

1.10 Those applying for funds must be a voluntary or community sector organisation or have a sponsor organisation. Applications may be received from a parish/town council or school or other statutory service, providing conditions of application have been met, as per criteria. Groups of young people may apply providing they have the support of a supporting/sponsor organization.

1.11 Area Boards will not consider Community Youth Grant applications from town and parish councils or schools/other statutory bodies for purposes that relate to fund their normal services and or activities.

1.12 The funding is not to replace other local funding which is used to support services and activities for young people and the Area Board is required to ensure the funding enhances and complements local provision/resources.

1.13 The Area Board will ensure that impact assessment will form a condition of any funding decision to enable monitoring of the effectiveness of positive activities. The Community Youth Officer and the Local Youth Network management group will carry this role out. This will include recipients completing and returning evaluation forms and accounts of expenditure.

1.14 The emphasis of this Community Youth Grants funding is to support the ethos of the community-led model for the provision of positive activities for young people, which supports young people and their communities to come together to develop a local response to meet local needs. Therefore, applications that embrace and evidence this should be encouraged.

1.15 Area Boards will consider funding applications at every meeting whilst there is still funds available.

1.16 The funding criteria and application forms are available on the council's website: <http://www.wiltshire.gov.uk/council/areaboards/communityyouthactivitiesgrants.htm>
