Dear Ben

It was very nice to have an opportunity to meet you all this evening and I was very impressed with the way the meeting was conducted.

I am happy to confirm that the Youth Council of Amesbury have been given the full backing of Amesbury Town Council to carry out a collective petition in respect of a Skate Park which will be presented to the Wiltshire Area Board at a later date.

I look forward to hearing further from you and please do not hesitate to contact me if you have any further queries.

Kind regards.

Yours sincerely

Chris Burden  
Councillor
