Everleigh Parish Council comprises of only 85 households and therefore has a very limited capability to raise funds through the annual precept. All residents young and old will benefit from this initiative by the provision of infrastructure to enable the villagers to socialise and develop community spirit.

The benefit of this project will be apparent by the number of people using the playground and in particular the utilisation of the picnic benches. This is the key indicator for success and will be monitored by councillors on a periodic basis.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

Maintenance costs of these picnic benches are expected to be minimal as they are constructed in weatherproof polystyrene material that will not rot crack or splinter and is advertised as maintenance free. Everleigh Parish Council will fund any subsequent costs thus ensuring an enduring enhancement for the village.

16. Is there anything else you think we should know about the project?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The members of TTFC will benefit immediately as although Tidworth Town Football Club is situated in great countryside surroundings it doesn't have a power source at the ground. We host events for the club and on behalf of other organisations which require a power source. We currently have to hire a bigger generator each time at a cost to the club. We also rely on fund raising to top up membership fees to ensure the sustainability of the club. We have a small tea hut on site where our volunteers provide bacon rolls hot dogs burgers and drinks etc. The tea hut provides much needed funds for the club however the generator we currently have is not big enough to cope with the amount of food and hot drinks we are trying to serve. Our project is to buy a 10kVA generator so we do not have to hire one for events and in order to keep up with demand on our tea hut on a weekly basis bringing in good revenue for the club.
