Part 10

Procurement and Contract Rules

SECTION A

GENERAL

1. Introduction

- 1.1 These Procurement and Contract Rules (the “Rules”) are the standing orders which apply to the acquisition of all supplies, services and works by or on behalf of the council. This includes council controlled schools and where the council acts as lead commissioner on behalf of a third party using external funds.
- 1.2 These Rules apply to the whole lifecycle of the procurement process, from initial concept to the end of an asset’s useful life or the end of the contract liability period.
- 1.3 These Rules are divided into Sections A, B and C:
 - 1.3.1 Section A (“General”) sets out the Objects and Principles of these Rules;
 - 1.3.2 Section B (“Procurement Procedure”) sets out the rules for planning a Procurement and the procedure which must be followed for every Procurement up to signature of the relevant contract; and
 - 1.3.3 Section C (“Contract Maintenance, Monitoring and Administration”) sets out the rules for managing the relevant contract until termination or expiry together with other administration matters.
- 1.4 These Rules must be read in conjunction with the Procurement Manual, an online toolkit which gives detailed instructions and guidance in their implementation. The Procurement Manual will be updated from time to time and officers must always refer to the latest information as published on the Intranet.
- 1.5 These Rules do not apply to:
 - 1.5.1 contracts of employment; or,
 - 1.5.2 contracts that relate solely to the purchase or acquisition of land; or,
 - 1.5.3 contracts awarded by schools which are outside the control of the council such as academies and foundation schools, or
 - 1.5.4 Investment Manager contracts awarded by the Wiltshire Pension Fund Committee

1.6 Concession Contracts

1.6.1 For public works concession contracts, subsidised works and subsidised service contracts connected to subsidised works (i.e. contracts under which the contractor is given the right to exploit the works) the council will be obliged to ensure that the concessionaire complies with relevant EU Regulations. Further advice is given in the Procurement Manual and a senior officer in the Strategic Procurement Hub should be contacted for advice, who will also engage legal services and accountancy

1.7 Utilities

1.7.1 Procurement of utilities is covered by The Utilities Contract Regulations 2006. This includes postal services but excludes telecommunications. For further information on scope of the Utilities Contract Regulations 2006 please refer to the Procurement Manual. A senior officer in the Strategic Procurement Hub should be contacted for advice, who will also engage legal services and accountancy

1.8 A list of the definitions used in these Rules is given at Appendix 1 attached to this Section A.

2. Objects

- 2.1 These Rules have three objects:
 - 2.1.1 to deliver Best Value;
 - 2.1.2 to manage and reduce the council's corporate risk;
 - 2.1.3 to ensure accountability for all procurement decisions.

3. Principles

- 3.1 All Procurements must comply with these Rules, the Procurement Manual, the Wiltshire Council Financial Regulations and Financial Procedure Rules, English law and European law in force in England. All procurements must remain, within budget both in year and the Medium Term Financial Plan assumptions unless approved in line with the Financial Regulations.
- 3.2 Whether or not a Procurement is subject to the EU Regulations, it must be conducted in accordance with the basic EU Treaty Principles. In particular, this means all Procurements must be carried out in a fair, open and transparent way.
- 3.3 Any change to the relevant English or European law must be observed until these Rules are revised. If these Rules or the Procurement Manual conflict in any way with English law or European law in force in England then that legislation takes precedence.
- 3.4 The strategic advice of Legal Services and the Strategic Procurement Hub and accountancy must be sought during the earliest stages of planning any Procurement. See further Section B of these Rules.
- 3.5 When any employee of either the council or of a service provider may be affected by any transfer arrangement under a Procurement or re-Procurement, issues relating to the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) must be considered and the Wiltshire Pension Fund must be consulted at the planning stage of the Procurement. Recognised trades union consultation must be carried out in compliance with the Externalisation, Procurement and the Workforce Agreement published on the Intranet (or any document which replaces or supplements that agreement). See further the Procurement Manual.
- 3.6 All Procurements must comply with the Best Value processes set out in the Procurement Manual.
- 3.7 Each Associate Director shall:
 - 3.7.1 be responsible for all Procurements undertaken for his or her service area;
 - 3.7.2 ensure that Best Value is achieved in all Procurements for his or her service area;
 - 3.7.3 ensure that during the earliest stages of planning any Procurement for his or her service area:
 - 3.7.3.1 the strategic advice of Legal Services, Accountancy, Human Resources and the Strategic Procurement Hub is sought; and

- 3.7.3.2 where appropriate, TUPE is considered and the Wiltshire Pension Fund consulted,
 - 3.7.4 assess the ability to join up spending / contracts across other service areas to secure efficiencies and value for money
 - 3.7.5 implement and operate a Scheme of Sub-delegation for his or her service area;
 - 3.7.6 in conjunction with the Strategic Procurement Hub, Accountancy and Legal Services, ensure that training on these Rules and the Procurement Manual is provided to Budget Managers and Commissioning Officers in accordance with the Procurement Manual;
 - 3.7.7 ensure that all Procurements for his or her service area are conducted in a fair, open and transparent way;
 - 3.7.8 ensure that Budget Managers in his or her service area comply with the duties listed at rule 3.8 below;
 - 3.7.9 ensure that Commissioning Officers in his or her service area comply with the duties listed at rule 3.9 below.
- 3.8 Each Budget Manager shall for all Procurements within his or her remit:
- 3.8.1 ensure compliance with these Rules, the Procurement Manual, the Wiltshire Council Financial Regulations and Financial Procedure Rules and EU Regulations (where applicable);
 - 3.8.2 ensure that the Best Value processes set out in these Rules and the Procurement Manual are achieved;
 - 3.8.3 ensure that only standard documentation or documentation approved by Legal Services is used in accordance with rule 7 below;
 - 3.8.4 operate within an effective check and challenge system and in line with the Behaviours Framework;
 - 3.8.5 ensure that the requirements from the Strategic Procurement Hub to provide information and documentation for the Corporate Contracts Register set out in these Rules are complied with in a timely manner.
- 3.9 Commissioning Officers must comply with these Rules and the Procurement Manual.
- 3.10 Key Performance Indicators will be used to monitor the operation of these Rules in accordance with the Procurement Manual. Results will be reported to Corporate Directors and Associate Directors regularly.
- 3.11 A successful challenge made under the community right to challenge set out in Part 5 of the Localism Act 2011 will trigger the procurement processes set out in these Rules.
- 3.12 The council must comply with its obligations and duties in respect of State Aid in its commercial arrangements with third parties. The rules on State Aid are set out in the Procurement Manual.

SECTION B

PROCUREMENT PROCEDURE

4. Planning each Procurement

- 4.1 Save where an Exemption is granted under rule 14 below (can we move to end of para a first procedure is exemption), every Tender Level Procurement or complex or resource intensive procurement below tender level must be planned in accordance with these Rules and the Procurement Manual.
- 4.2 The Procurement Plan is the schedule demonstrating a minimum of 12 months' forward planning of such Procurements for each service area, to be created and maintained in accordance with the Procurement Manual.
- 4.3 Unless there is a clear corporate benefit of procurement, for example facilities management, each Associate Director will be responsible for the Procurement Plan for his or her service area.
- 4.4 Each Budget Manager must ensure that his or her Procurements are represented in the Procurement Plan as soon as reasonably practicable in order to ensure timely consideration of the Procurement procedure which must be followed. They must also agree with Accountancy, before a Procurement Plan is submitted, that the council has the funds and other resources available to meet all its obligations under any contract(s) that may result. This includes having sufficient non-pay budget provision in year and future years. The level of contracted work will then be driven by the ability to afford a contract as approved by accountancy. The award will also consider the value for money of the tenders and financial sustainability of the contract

5. Corporate Procurement and Commissioning Board governance and approval of Tender Level Procurements

- 5.1 The Corporate Procurement and Commissioning Board will regularly review procurement and commissioning governance and recommend changes which enhance performance and added value activities.
- 5.2 The general powers of the Corporate Procurement and Commissioning Board are:
 - 5.2.1 To scrutinise and challenge planned Tender Level and outcomes/outputs of the procurement;
 - 5.2.2 To consider and recommend Tender Level Procurement spend at the assessment phase;
 - 5.2.3 To monitor the value added by the check and challenge system.
- 5.3 The reporting relationships between service areas, the Corporate Procurement and Commissioning Board, the Strategic Procurement Hub, Accountancy and Legal Services are set out in the Procurement Manual.
- 5.4 Every Potential Tender Level Procurement will be subject to an independent Value assessment carried out in accordance with these Rules and the

Procurement Manual, unless exempted from this process by the Corporate Procurement and Commissioning Board.

- 5.5 Each assessment report will be led by an Officer of the Strategic Procurement Hub. The Officer will work in collaboration with the relevant Commissioning Officer(s), including Legal and Accountancy, during the assessment and throughout the Procurement.
- 5.6 The Corporate Procurement and Commissioning Board will consider each assessment in order to check, challenge and approve Tender level procurements. Approval will be required from the Corporate Procurement and Commissioning Board before Tender Level Procurements can progress.
- 5.7 All procurement related Cabinet Reports must be approved by the Corporate Procurement and Commissioning Board prior to submission.

6. Procurement Procedure

- 6.1 The procurement procedure to be taken is dependent on the estimated value of the supplies, services, or works to be provided. Full details of the processes and related information are given in the Procurement Manual.
- 6.2 The value of the contract is the total value of the contract over its full duration including any extensions. Where the contract term is indeterminate or indefinite the value will be 48 times the monthly cost. When estimating the total value of a contract over its term, including extensions, all elements of cost must be considered not just the invoice value to be paid for the supplies, services or works.
- 6.3 A Request for Quotes (RfQ) procedure may be used for spend below the threshold defined for supplies and services in the EU Regulations for advertising contracts in the Official Journal of the European Union. Strategic Procurement Hub Officers may consider that an RfQ is not the best route to manage procurements below that threshold and may, for example, recommend a tender or use of a Public Buying Organisation framework where it is appropriate to do so. For procurements above EU Regulation thresholds as detailed in the Procurement Manual, a compliant procedure must be followed.

7. Form of Contract and Tender Documentation

- 7.1 All Procurements, regardless of value, must either:
 - 7.1.1 use the council's appropriate unamended model contract available on the Intranet as updated from time to time; or
 - 7.1.2 be referred to Legal Services to review the proposed contract or produce a new contract as appropriate.
- 7.2 In addition to the requirements of rule 7.1 all Procurements must either:
 - 7.2.1 use the SAP Purchase Order procedure; or
 - 7.2.2 the Form of Agreement for low value one-off procurement of supplies and services; or
 - 7.2.3 use the council's unamended standard tender templates which are available on the Intranet as updated from time to time; or
 - 7.2.4 be referred to the Strategic Procurement Hub to review the proposed tender documentation in conjunction with Legal Services.

- 7.3 Legal Services shall in conjunction with the Strategic Procurement Hub keep current and formally review all model contracts at least annually.
- 7.4 Contract Managers must provide relevant information required and register contract details on the corporate Contracts Register
- 7.5 Legal Services shall in conjunction with the Strategic Procurement Hub review all standard tender templates at least annually.
- 7.6 Where there is an existing, appropriate authorised contractual arrangement this must be used unless a business case led by the relevant Officer in the Strategic Procurement Hub is properly approved.

8. Receiving And Opening Tenders

- 8.1 All tenders must be received and opened in accordance with the council's "Tender Receiving and Opening Procedures" These can be found in the Procurement Manual.

9. Awarding Contracts and Audit Trails

- 9.1 The results of any evaluation process must be recorded in writing by the Officer in the Strategic Procurement Hub responsible for leading the Procurement.
- 9.2 Any Officer awarding a contract must have sought confirmation from accountancy that the council has the funds available to meet all its financial obligations within the service AND under the contract prior to signature.
- 9.3 Commissioning Officers must be aware that the placing of any business with a third party constitutes a contractual commitment which must comply with these Rules. Placing an order off an approved contract may be undertaken by Officers with appropriate delegated budgets where those orders are placed against existing contracts based on pre-agreed terms and pricing. If any negotiations on price or changes to terms and conditions are required to place an order an Officer in the Strategic Procurement Hub must be contacted to determine how to proceed.
- 9.4 Unless the Contract involves a function reserved to Full Council, Cabinet or a Committee (see Part 3 Section B of this Constitution) and subject to rule 9.6 below, the authority to approve the award of contracts as a result of a procurement exercise is delegated to Associate Directors (and their nominees) in accordance with the Scheme of Delegation.
- 9.5 Subject to the authority to award contracts being granted as per paragraph 9.4 and 9.6 these contracts may only be executed under Seal as per Section 10 or be signed by the following (and their nominees in accordance with their Scheme of Sub-Delegation)
 - 9.5.1 Solicitor to the Council for all contracts or,
 - 9.5.2 Associate Director for Corporate Office, Programme Office and Procurement
- 9.6 Cabinet approval must be obtained for any contract (or programme) which:
 - 9.6.1 Involves a key decision under this Constitution (see Part 1 paragraph 9);

- 9.6.2 exceeds an annual value of £1 million or the total contract value exceeds £4million including any optional extension period;
- 9.6.3 involves the transfer of 50 or more employees in or out of the council; or
- 9.6.4 relates to a matter which is commercially, politically or strategically sensitive.

9.7 The legal requirements for issuing contract award notices must be followed.

10. Contracts to be executed under Seal

10.1 Where a contract either:

10.1.1 exceeds £1m in value; or

10.1.2 is considered to be of a strategically important or politically sensitive nature; or

10.1.3 where the extended limitation period of 12 years would be of value,

the contract must be executed under seal, unless advised otherwise by Legal Services.

SECTION C

CONTRACT MAINTENANCE, MONITORING AND ADMINISTRATION

11. General

- 11.1 Budget Managers, Commissioning Officers and those managing contracts shall observe the contract management, supplier management, vendor accreditation and registration processes set out in the Procurement Manual.

12. Extensions to Contracts or Framework Agreements

- 12.1 The duration of a contract or Framework Agreement may only be extended if provision for that extension has been included in the terms of the contract or Framework Agreement.
- 12.2 The duration of Tender Level Procurements awarded under the EU Regulations may only be extended if provision for that extension was identified in the original OJEU Notice.
- 12.3 An extension should not be made where it would have the effect of changing the fundamental nature of the original contract and in no circumstances should an extension be made to a contract that has the effect of increasing the contract to a value over the EU Thresholds in force at that time.
- 12.4 The advice of the lead Officer in the Strategic Procurement Hub and Legal must be sought in relation to any proposals to extend a contract, even if a contractual option exists to explore if best value is offered from that option. This advice must be sought in an appropriate time period that would allow a new procurement to be undertaken if the advice is that the contract should not be extended.
- 12.5 All extensions must be fully documented and the signatories of the formal extension documents shall be Legal services or the same officers at 9.4.1 through 9.4.3.
- 12.6 Where the value of an extension exceeds £100,000.01 written approval must be obtained following consideration of a written report. The report should be addressed to the Head of Strategic Procurement and will be considered by the following officers as well as the Cabinet Member for Procurement:
- 12.6.1 Corporate Director
 - 12.6.2 Head of Strategic Procurement (or nominee);
 - 12.6.3 Head of Legal Services (or nominee);
 - 12.6.4 Section 151 Officer.
- 12.7 Cabinet approval must be obtained for any extension where the decision falls under the criteria for a key decision under the Constitution.

13. Variations to Contracts

- 13.1 In any case where a variation means that the value of a contract would exceed the relevant EU Threshold, or where there is any material change to the contract, the contract must be treated as a new Procurement under these Rules.
- 13.2 All variations to contracts must be fully documented, whether they have a financial impact or not, and the signatories of the variation documents shall be Legal services or the same officers at 9.4.1 through 9.4.3. Nil value variations may be signed by the Senior Category Manager.
- 13.3 Any variation resulting in additional spend above the budgeted contract level will need approval in accordance with the Financial Regulations and must be funded before a decision to vary is taken.
- 13.4 Cabinet approval must be obtained for any variation where the decision falls under the criteria for a key decision under the Constitution.

14. Exceptions to these rules

- 14.1 These Rules apply to all supplies, services and works purchased by the council. However, subject to rule 14.2, a formal exemption to the requirements of one or more of these Rules may be considered where the Procurement in question is not subject to the EU Regulations or existing legislation i.e. for procurement where the RfQ procedure may be used. Guidance on the exemption process is in the Procurement Manual.
- 14.2 Formal exemptions cannot be used to remove the requirement:
 - 14.2.1 to use un-amended model contracts and standard tender templates, or to seek the advice of Legal Services and the Strategic Procurement Hub where the standard documentation must be amended, in accordance with rule 7 above;
 - 14.2.2 to seek the advice of Legal Services and the Strategic Procurement Hub for all Tender Level Procurements.
- 14.3 The Strategic Procurement Hub may grant formal exemptions which fulfil the following strict criteria ("Exemptions"):
 - 14.3.1 Works orders placed with utility companies, e.g. for re-routing cables or pipework. The term utilities does not include telecommunications.
 - 14.3.2 Genuine emergencies – Critical preventative or remedial work where there is a real and imminent risk to the safety of people or property arising from a hitherto unforeseen 'catastrophic' event or incident such as fire, bombing, flooding, major landslide etc. Any contract entered into by the council under this exemption must not be for a term of more than 6 months.
 - 14.3.3 Collaborative/Joint Purchasing – Where another authority/public body is acting as 'lead buyer' and provided that the person(s) awarding the contract can demonstrate the arrangements comply with the requirements of Best Value and other applicable legislation including, where relevant, the EU Procurement Directives. This includes any recognised wider public sector agreements including, for example, Crown Commercial Services or successor contracts, etc.

- 14.3.4 Sole source of supply - Where suitable supplies or service are genuinely only available from one supplier (e.g. if patent, copyright or other exclusive design rights exist). Similarly, for any highly specialised/niche services where, for all practical purposes, no realistic alternative source of supply exists. Exemption requests made on this basis will be tested by the Strategic Procurement Hub using sourcing tools.
- 14.3.5 Urgent situations not of the council's own making – The urgency must have been reasonably unforeseeable (e.g. existing supplier going into liquidation, urgently imposed statutory changes, etc.) and genuinely be a case of 'time is of the essence'. However, urgency arising through problems of the council's own making (whatever the cause and regardless of whether it involved previous delays or shortage of resources, etc.) shall not in itself justify exemption. Any contract entered into by the council under this exemption must not be for a term of more than 6 months. Where extensions of contracts are entered into without an Opportunity Assessment, the Strategic Procurement Hub will seek a temporary extension term in order to allow a full Opportunity Assessment to take place as soon as reasonably practicable. The avoidance of Opportunity Assessments will be exceptional.
- 14.3.6 Reasons of compatibility - If compatibility with existing supplies, equipment or services is essential and where they cannot be sourced from another supplier (e.g. spare parts/components for existing equipment) or where additional units are being purchased to match existing equipment and there is an overwhelming case for matching the existing items on the grounds of functionality, aesthetics, etc.

Extraordinary Exemptions

- 14.4 Any Exemption which does not fulfil the strict criteria of rule 14.3 will be an "Extraordinary Exemption".
- 14.5 Only the Head of Strategic Procurement in conjunction with the Solicitor to the Council (or nominee) may grant an Extraordinary Exemption.

Procedure for Exemptions and Extraordinary Exemptions

- 14.6 Exemption requests made for one of the reasons under rule 14.3 must be submitted to a Business Partner in the Strategic Procurement Hub. Wherever possible, completed Exemption Request Forms should be scanned and submitted by email.
- 14.7 An Exemption will be either:
- 14.7.1 approved by the Strategic Procurement Hub, registered and confirmed with the requesting Commissioning Officer;
 - 14.7.2 held pending a request for further information (where appropriate);
 - 14.7.3 rejected stating the reasons why; or
 - 14.7.4 referred to Cabinet for determination.
- 14.8 Extraordinary Exemption requests must be submitted to the Head of Strategic Procurement ("Extraordinary Exemption Request Form"). Extraordinary Exemption Request Forms must include a full business case and must be countersigned by the relevant Service Director. Wherever possible, completed

- Extraordinary Exemption Request Forms should be scanned and submitted by email.
- 14.9 An Extraordinary Exemption will be either:
- 14.9.1 approved by two of the following three designated officers:
 - 14.9.1.1 The Head of Procurement;
 - 14.9.1.2 The Solicitor to the Council (or nominee); and
 - 14.9.1.3 The Section 151 Officer, and registered and confirmed with the requesting Commissioning Officer;
 - 14.9.2 held pending a request for further information (where appropriate) and then dealt with in accordance with rules 14.9.1, 14.9.3 or 14.9.4;
 - 14.9.3 rejected stating the reasons why; or
 - 14.9.4 referred to Cabinet for determination, and in the event of Cabinet approval, registered and confirmed in accordance with rule 14.9.1.
- 14.10 Within 10 working days of an Extraordinary Exemption approval made under rule 16, details of the approval decision and the attendant business case will be:
- 14.10.1 notified to the relevant Cabinet Member; and
 - 14.10.2 published on the Intranet, and the approval decision will normally be made available to the public, except where the notification of approval states that this would not be appropriate for legal reasons.
- 14.11 Service Directors must ensure that the information submitted in all Exemption Request Forms and Extraordinary Exemption Request Forms for his or her service area is correct.
- 14.12 The procurement may proceed only after the notification of approval is received by the Commissioning Officer.
- 14.13 All Exemption requests which would contravene English law or European law in force in England will be rejected.
- 14.14 If the Exemption is approved, the application form will be endorsed and returned to the relevant Commissioning Officer who must enter the contract on to the Corporate Contracts Register in accordance with rule 7. A copy of the Exemption will be retained by the Strategic Procurement Hub.

14 Partnerships and Grants

These Rules do not apply to Partnerships and Grants that are approved under the relevant policies and procedures.
