

Update for Chippenham Area Board

Update from	Kington Langley Parish Council
Date of Area Board Meeting	11 th January 2010

Headlines

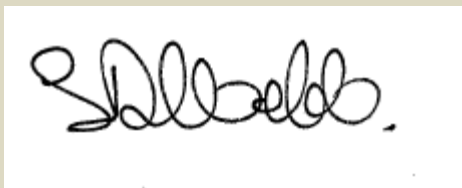

Kington Langley P C is in discussions with Wiltshire Council with a view to extending the 30mph speed limit at Day's Lane, Kington Langley to Byway 34. Also it is favoured to attempt to slow down traffic as it passes the school area between Parkers Lane and around the Church Bend towards the Village Hall.

Projects

- Church Bend Footpath Project is well under way and completion is anticipated very shortly (weather permitting)
-
- Completion of All Weather Footpath - an application has been submitted to the PWLB and a decision is expected late February 2010. This will enable the footpath to be completed with a suitable hard surface for longer lasting.
