1. Background
Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance.

2. Main Considerations
2.1. Councillors will need to be satisfied that funding awarded in the 2016/2017 year is made to projects that can realistically proceed within a year of it being awarded.
2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.
2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria and practice papers for councillor-led initiatives.
2.4. Best practice advises that applications relating to young people or highways and transport should be considered by, and seek a recommendation from, the Local Youth Network or Community Area Transport Group.

3. Environmental & Community Implications
Councillor led-projects are designed to enable councillors to tackle issues in their area, including projects and initiatives which have been initiated by the community eg. a community issue. Councillor-led projects should not be used to fill gaps where there are service shortfalls or where it is possible for the matter to be resolved through the use of the Community Area Grants scheme.

4. Financial Implications
Financial provision had been made to cover this expenditure. The Community Area Grants scheme which funds Councillor-led initiatives can only provide capital funding.

5. Legal Implications
There are no specific legal implications related to this report.

6. Human Resources Implications
There are no specific human resources implications related to this report.

7. **Equality and Inclusion Implications**  
Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council’s Public Sector Equality Duty.

8. **Safeguarding Implications**  
The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. **Applications for consideration**

**Project description**  
Cartmel Mini Bus is a valuable community resource that is currently underused. With the year on year financial pressures facing the local authority support for commercial rural bus services are under threat. With this in mind Area Board are being requested to support funds to help the running cost of the Cartmel minibus, with a view that it is a valuable resource that in the coming months will be more and more required.

**Proposal**  
That the Area Board determines the application from Simon Killane for £2,000.00
