Purpose of the Report:

To consider the applications for funding listed below together with the recommendations of the Local Youth Network (LYN) Management Group. A delegated decision is requested by the Area Board, pending grant applications which are in progress at the time of writing this report. This is due to the mismatch in timings of the next Area Board meetings, and the target start dates of the projects. An in principle agreement now, subject to satisfactory checks and scores by the LYF and LYNMG would enable the three pieces of provision to be planned for delivery in the new year (2017).
