

Tidworth Area Board Police Report January 2017

1. East Community Policing Team

Sector Head: Inspector Nick Mawson

Sector Deputy: Sergeant Mark Andrews

Community Coordinator: PC Lucy Wileman

Tidworth PCSO: PcsO Natalie Cleife
Ludgershall PCSO : PcsO Maria Downham

The Community Policing Team (CPT) model commenced in this area on 17 October 2016 and was followed by Swindon on 7 November 2016.

This followed a successful trial of the new model in Trowbridge, Warminster, Bradford on Avon, Westbury, Tisbury and Mere.

CPT combines Neighbourhood Policing, Response teams and Local Crime Investigators so there is a “one team” approach to community policing. It means there is a bigger team of officers and police staff available to attend incidents and improves communication between teams and departments. It gives the public a better service because issues can potentially be resolved at the first point of contact (101 and 999 call-takers) and provides them with a named officer/police staff member who they will be able to keep in touch with during the investigation. It also encourages officers and staff to take more “ownership” of cases.

There are seven Community Policing Teams: Swindon North, Swindon West, Swindon South, Wiltshire North, Wiltshire West, Wiltshire East and Wiltshire South. Pewsey comes under Wiltshire East area.

Each Community Policing Team will be overseen by a Superintendent and will have an Inspector and a Deputy. The team will be made up of a mix of police officers, community co-ordinators, PCSOs, civilian local crime investigators and Specials.

We have been engaging with the public since commencing this new Policing Model and we welcome any feedback. Please speak to your local officers to find out more

about how Community Policing is affecting your local area. You can also find out more, including videos and infographics explaining the new model, on our website <http://www.wiltshire.police.uk/information/community-policing-pilot>

2. CPTs - Current Priorities & Consultation Opportunities:

i. Andover Road - ASB

Following consultation with the community the previous priority concentrating on Anti-Social Behaviour for Dewey's Lane in particular Jubilee Gardens closed In December 2016. They acknowledged that there had been additional patrols in the area and any reported problems had stopped. However problems then started outside the Moghul and other shops along Andover Road, a new priority commenced on 25th November 2016. At present 5 youths have been identified and have been referred to ASBRAC (the Anti Social Behaviour Risk Assessment Conference, a Multi Agency approach to dealing with ASB) and additional work has been carried out with the families. The Neighbourhood Taskign Group (NTG) took place in Council Chambers, Ludgershall on 13th December. NTG members agreed for the Andover Road priority to continue.

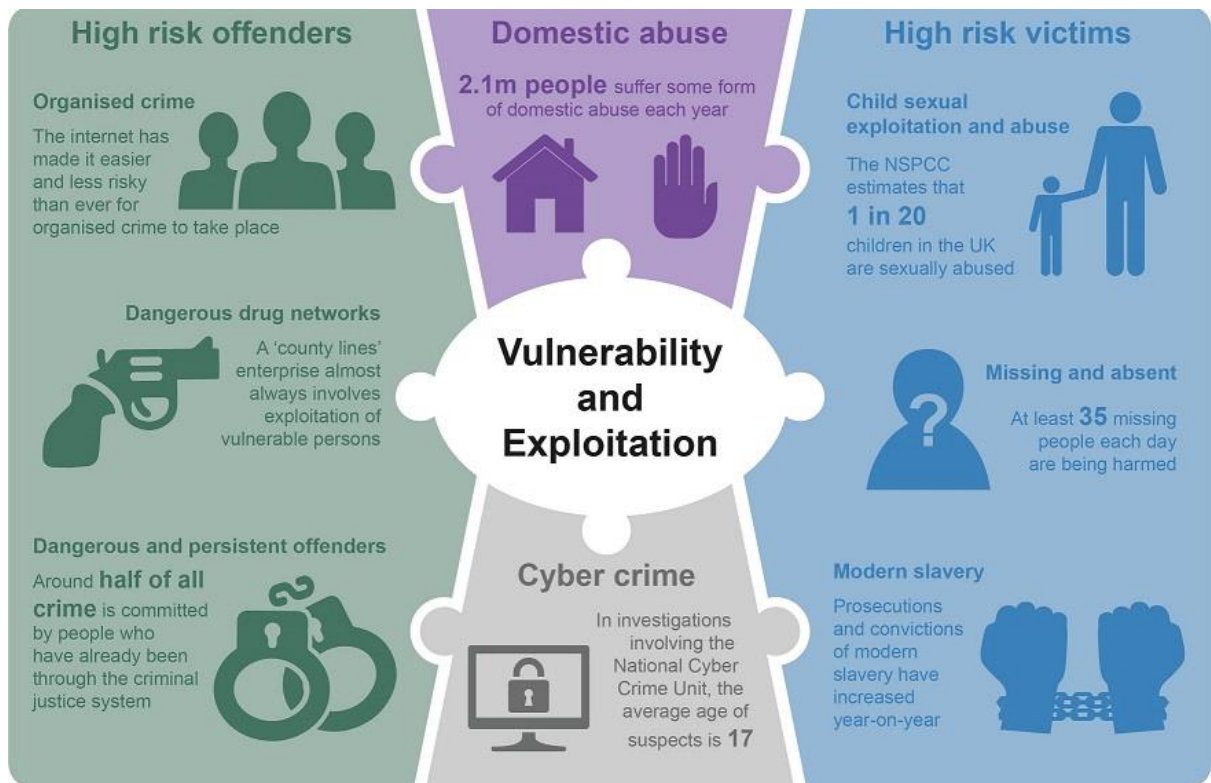

ii. Reassurance patrols - Tidworth Military Married quarters

The NTG also decided that Wiltshire Police and the Military would share a new priority with reassurance patrols around the married quarters in Tidworth, this priority will run for a period of at least a month. Persons have been seen attempting to gain entry to properties recently. Our aim is to deter any criminal activity and offer reassurance to the military families.

iii. Hare Coursing continues as a priority for the whole area.

Your local PCSO's have also been carrying out Community Consultations. It was discussed at the NTG how we could carry out consultations in a better way. Plans are ongoing.
