

# Our Community Matters: Chippenham

On behalf of Chippenham Area Board, I am delighted to invite you to attend the 'Our Community Matters' conference on Monday 6<sup>th</sup> February 2017 at Neeld Hall, Neeld Community & Arts Centre, Chippenham, Wiltshire, SN15 3ER,. Doors open at 6.30pm and the event begins at 7.00pm. Refreshments will be available.

## **What has changed in the Chippenham Area over the last two years?**

A brand new report on the issues affecting our community will be presented and you will have a chance to shape how we respond. The Community Area Joint Strategic Assessment will cover local issues across health and wellbeing, community safety, the economy, transport, the environment, housing, older people, children and young people and culture. The assessment will allow us to see what has changed since 2014 and decide what needs to change over the next two years.

## **Are you shaping the future of our community?**

This evidence will help us decide how we can deliver local projects to address local challenges and we want to hear your views on how we can, together, make the Chippenham community area a better place to live in, work in and to visit.

## **Please come and join us**

Attendance is by invitation to ensure we have a mix of people and organisations in the room to make decisions and identify actions to tackle the issues facing the area. Our community really does matter and I do hope you can take part in this conversation.
