We currently do not have any qualified coaches within the club & this would be an ideal opportunity to help develop these youngsters pre season thus hopefully enabling them to progress quicker into first team cricket. This action will increase awareness of the club and increasing sustainability by attracting new members Utilising high quality coaches to increase learning and self improvement of players increasing likelihood of sustained involvement within the sport. On a larger scale it is anticipated that being engaging with our younger members this will provide positive activities for young people and provide alternatives to anti social behaviour that young people may be drawn into and subsequently to encourage development of self esteem, confidence and adoption / maintenance of healthy lifestyles.	

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Sustained funding will be provided through continuing year on year club membership of all players and also continued use of sponsorship via external companies including shirt & match ball sponsorship. To date all youth programmes have been funded by the club without any external funding or support.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Westinghouse Cricket Club is one of only 2 cricket clubs within the town, in order to maintain a legacy for the future we are actively looking to pursue an involvement in encouraging youth cricket to thrive, last year we developed a Under 11 section & will be looking to expand it even further in 2010 with hopefully a Under 13 team. We have 3 volunteers who will be attending level1 coaching courses in April 2010 & will be coaching the younger age groups on a Monday night. It is felt that the older youth members (under 17) would benefit from specialist training from a fully qualified local adult coach. It should be noted that Chippenham CC have limited capacity and therefore Westinghouse is providing an opportunity to get involved and develop cricketing skills for members of the community who would otherwise miss-out.
