Chairman's Announcements

Public Protection Enforcement Policy

The Public Protection Service is reviewing its enforcement policy, and is seeking views from interested stakeholders.

The policy deals with the entire range of legislation administered by the Public Protection Service covering all environmental health and trading standards powers, as well as any relevant community safety and emergency planning laws.

The policy addresses the practical application of Public Protection enforcement procedures and aims to provide a fair and effective approach to any enforcement action taken by officers of the authority. It seeks that any enforcement action must be compliant with all relevant legislation and guidelines, and must be fair, clear, transparent, consistent and robust.

The draft enforcement policy is on the council's website.
