

MALMESBURY AND ST PAUL MALMESBURY WITHOUT: PROPOSED WAITING RESTRICTIONS

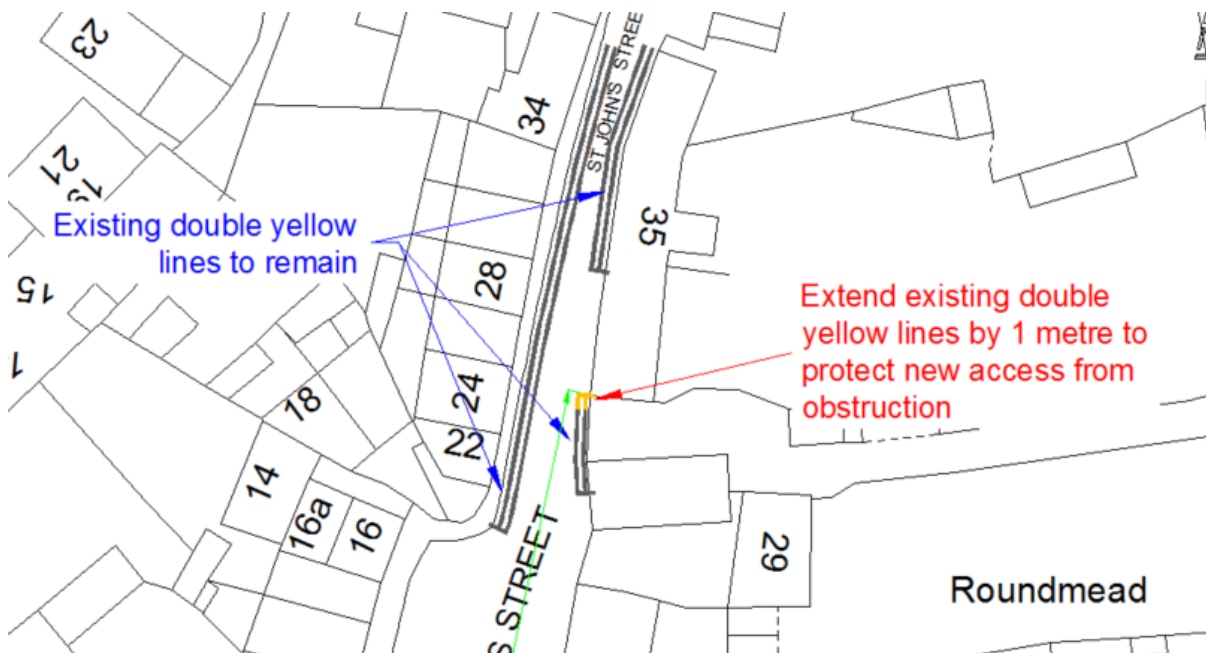

RECOMMENDATIONS FOR AMENDMENTS TO PROPOSALS

Reeds Farm Road

Reduce the extent of SYL to the south of Reeds Farm Road by 13 metres to protect accesses. This reduction is not expected to affect the visibility of the junction as the road acts like a bend with a dead end to the east of the road.

St Johns Street

The proposed double yellow lines will only run up 1 metre in a northerly direction rather than the 5 metres previously advertised.
