

July 2017

Overview

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

The right healthcare, for you, with you, near you

New Interim Chief Officer joins Wiltshire Clinical Commissioning Group

Linda Prosser has joined Wiltshire Clinical Commissioning Group (CCG) as Interim Chief Officer.

Chair of Wiltshire CCG, Dr Peter Jenkins said: "We look forward to working with Linda and are confident she is well-placed to lead us through the challenges we know are ahead of us".

Ms Prosser, who joins the CCG from NHS England South West where she was Director of Assurance and Delivery, said:

"I'm delighted to join Wiltshire Clinical Commissioning Group. This is a very strong CCG with a good track record that is well placed to rise to the challenges facing the health and care system in the next few years. I am very pleased to be a part of that. We will be working very closely with our colleagues in Wiltshire Council to this end, including the appointment of a shared leadership role across the CCG and Adult Social care. I intend to provide the leadership and support to the CCG during this period up until this new post is taken up. Meanwhile we will continue to put local people at the heart of what we do to commission healthcare services that get the best possible outcomes for them."

Ms Prosser replaces Tracey Cox, who took on the interim role in October 2016 alongside her Accountable Officer duties for Bath and North East Somerset CCG, and has now returned to that role.

Getting painful sunburn just once every two years, can triple your risk of melanoma skin cancer.
