If you were not awarded the full amoun	t requested, what woul	d be the impact on your project?							
We would apply elsewhere for a grant to develop the area. The area is crying out for development. We have all had our allotments for just over a year we can spend more time on environmental issues.									
How will you know whether your project has made a difference in the community?									
When we have wild flowers blooming and observe an increased number and variety of birds, butterflies & insects. We will also be interested to find out if we have attracted any bats into the bat boxes that are going to be placed on the trees. Bats are a good indicator of bio diversity.
