

Environment Select Committee – 13 March 2018

Cllr Thomson statement regarding Salisbury Athletics Track

Representatives from Wiltshire Council, South Wilts Grammar School for Girls and Salisbury Athletics and Running Club met to explore new solutions to enable the athletics track to be used by the school, the athletics and running club, and other users.

The meeting was productive and both long and short term options were discussed and further work is now underway to take these options forward.

A second meeting has taken place and received an update on this work and discussed and agree the next steps.
