1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2015/2016 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
2784	Winterslow Short Mat Bowls Club.	Winterslow Short Mat Bowls Club new mat	£980.00
Project Description: Due to wear and tear a new mat is required.			
Input from Community Engagement Manager: Provides facilities for local group. Although no matched funding has been sought, the applicants have confirmed that the PCC have put £250 towards other equipment needed.			
Proposal That the Area Board determines the application.			

Application ID	Applicant	Project Proposal	Requested
2714	Laverstock and Ford Parish Council	Resurfacing of hoggin path extension to Greentrees Junior School	£5250.00
Project Description: To resurface with tarmac an emergency hoggin path put in by the Parish Council to give a safe walking route to Greentrees Junior School and the new country park. The path finishes an existing tarmac path which stops short of the school gate by about 100m and currently encourages children to use a less safe route through a car park and across the entrance to the school and country park car park.			
Input from Community Engagement Manager: This application was deferred from the last meeting. Cllr Clewer has been in liaison with developers but a positive outcome looks unlikely. The site is actually just over			

the border in Salisbury area but within Laverstock PC. Tom will liaise with Salisbury CEM to discuss how it can be supported. Next Salisbury Area Board meeting on 17 May.

Proposal

That the Area Board determines the application.
