

Helping Wiltshire Council meet the challenges ahead

Invitation to voice your views at interactive public meetings

You are invited to attend one of a series of meetings that Wiltshire Council is hosting to discuss the challenges that the council is facing and the impact that these could have.

The council currently spends around £900m each year on more than 300 services and has recently agreed a plan to deliver an ambitious programme of work over the next 10 years.

The council's vision is to create strong communities, prioritising growing the economy, protecting those who are most vulnerable, and working with partners in an innovative and effective way.

Changing demographics and the continuing reduction in funding from central government mean we have to continue to find substantial savings and work even more closely with local communities to encourage and support them to do more for themselves.

The council's cabinet members will be attending the meetings to discuss the challenges and to invite and listen to your views and suggestions on how these can be best managed.

Details of the informative and interactive meetings are set out below.

We look forward to seeing you and hope that you will be able to join us. It would be extremely helpful if you could confirm your attendance by emailing events@wiltshire.gov.uk

Wiltshire Flood Seminar - Tuesday 5 September at Trowbridge Rugby Club 10 - 4
Wiltshire Council in conjunction with the Environment Agency and Wiltshire & Dorset Fire and Rescue Service would like to invite flood wardens/emergency volunteers and town and parish representatives to our seminar - a mixture of training and information sessions. If you would like to attend please contact either renate.malton@wiltshire.gov.uk or Kayleigh.lynch@environment-agency.gov.uk to register your interest.

Flood/Emergency Plans

Having a flood and or emergency plan is important for every community, in the event of an incident occurring it should enable your community to be able to cope for a short time until the statutory agencies can get to you. We can supply you with flood defence equipment and grit for snow, and if you are looking for additional items apply to the SSE fund as many of our communities have already done (but you'll have to be quick).

If you would like any help or assistance with putting a plan together – contact renate.malton@wiltshire.gov.uk.

Roadshow aims to put Wiltshire people in the driving seat on health and care issues

Healthwatch Wiltshire aims to speak to at least 1000 people from all corners of the county as part of its 'Campervan and Comments Tour.'

The roadshow will travel almost 400 miles zig-zagging around Wiltshire in a classic 1969 VW campervan and park up at key locations around the county to gather the views of people of all ages.

Lucie Woodruff, Healthwatch Wiltshire Manager, explained: "We want to reach at least 1000 people from all over Wiltshire in just two weeks. We thought it would be a great idea to hire a campervan and visit places where people might not have heard of Healthwatch before.

"The role of a local Healthwatch is to make sure the health and care system in the area meets the needs of the people who use it. Feedback is gathered from patients and their families on services such as GP surgeries, care homes, hospitals, mental health and social care. These findings are then taken to the organisations which plan, pay for and deliver health and care services.

"Wiltshire is such a huge county and we thought a roadshow would be a great way to reach more people and give them the opportunity to have their voice heard. Plus, everyone who we speak to will get free refreshments and a cupcake too!"
