Pound Arts is providing 1000 of in kind support from the core budget but is unable to meet the entire costs. As part of The Pound Arts Trusts national statutory funding the organisation is required to hold three months reserves of running costs so these funds cannot therefore be used for projects.

The Bridge Youth Project Mentoring Scheme

6. Project summary:

The Mentoring Scheme was set up to support vulnerable young people in secondary schools who need additional support by linking them with volunteers from the community. They meet with a volunteer mentor for an hour per fortnight over the course of an academic year. This is a safe space where they can discuss any issues that matter to them and have someone trustworthy who will listen to them and act as a positive role model. We help young people to set goals and to realise more of their potential and a full evaluation is given.

Why can't you fund this project from your reserves:

Our income varies from month to month and sometimes our reserves both free and restricted drop down to equal only one and a half months expenditure. We have to pay salaries every month and spend roughly 12000-13000 every month. We rely on grants from funders to supplement regular income from other sources which never covers all our expenditure.
