9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3034	Redlynch Parish Council	Upgrade to Wiltshire Council owned bus shelters in the parish	£778.00
Project Description: There are panels missing in all the Wiltshire Council owned bus shelters in the parish and the parish council wish to replace them with polycarbonate panels which would be an upgrade. The missing panels mean the young school children and the elderly who use the rural bus route are exposed to the elements. To try to prevent the panels being broken again the parish council wish to upgrade to polycarbonate panels.			
Input from Community Engagement Manager: Match funding as stated above of £778.02 coming from Parish Council reserves.			
Proposal That the Area Board determines the application.
