

Proposed changes specifically relating to the Settlement Boundary Review

Following consideration of representations to the WHSAP pre-submission consultation, a Schedule of Proposed Changes to settlement boundaries was presented to Cabinet in May 2018. The changes involved amendments to 45 of the proposed settlement boundaries that were presented during the summer 2017 pre-submission consultation.

Following the resolution by Cabinet in May 2018 to defer a decision on the WHSAP, a period of further consultation with Wiltshire Councillors and Parish/Town Councils was undertaken. This has resulted in further proposed amendments to three settlement boundaries (Codford, Seend and Winterslow).

Annex K.01 to K.19 of this document contains maps which illustrate the proposed changes to the settlement boundaries where there are proposed further amendments from the pre-submission versions. A full explanation behind each of the proposed changes can be found in Appendix A of the relevant Community Area Topic Papers⁵.

Those boundaries considered to have been reviewed by a sufficiently advanced neighbourhood plan are set out in Proposed Changes PC120 to PC135 above. This is the case for Christian Malford, Cricklade, Oaksey and West Lavington and Littleton Panell.
