

HIGHWAYS ACT 1980 – SECTION 90A

TRAFFIC CALMING FEATURES – ROUNDWAY RISE, CALNE WITHOUT

NOTICE IS HEREBY GIVEN that Wiltshire Council in exercise of its powers under Section 90A of the Highways Act 1980 proposes the installation of Traffic Calming Features which will form a method of reducing the speed of vehicles in the interests of road safety on **Roundway Rise, Calne Without** as follows:

- a) a Raised Traffic Table of full carriageway width with a maximum height of 50 millimetres at a point 186 metres west of its junction with Stockley Lane;
- b) Speed Cushions measuring 4.9 metres x 4.9 metres with a maximum height of 75 millimetres at a point 65 metres and 137 metres west of its junction with Stockley Lane

A copy of the plan showing the location of the traffic calming features can be inspected at the offices of Wiltshire Council, County Hall, Bythesea Road, Trowbridge during normal office hours. Details of the proposed scheme may be seen at Calne Library, The Strand SN11 0JU between the hours of 8am to 7pm Monday, Thursday and Friday, 8am to 5pm Tuesday and 8am to 4pm Wednesday and Saturday until 7th January 2019. Documents can also be viewed online at www.wiltshire.gov.uk/troconsultations.htm.

Comments on the proposal together with the reasons for which they are made, should be sent in writing or via the website to reach the undersigned by 7th January 2019 quoting reference LJB/TRO/CALWtc.
