

APPENDIX 2

Wiltshire Local Development Scheme

March 2019

1. Introduction

- 1.1 The Planning and Compulsory Purchase Act 2004 as amended by the Localism Act 2011 requires the council to prepare and maintain a Local Development Scheme (LDS). The Wiltshire LDS sets out the Development Plan Documents (DPDs) prioritised for production by Wiltshire Council and the timetable for their preparation that will, when complete, together with other adopted documents, comprise the Local Plan for Wiltshire. It also includes information on neighbourhood plans that form part of the development plan for Wiltshire as well as those at an advanced stage of preparation.
- 1.2 The LDS should be kept up to date and was last reviewed in September 2017 to cover the period 2017 to 2020. This was an update to respond to recently published evidence on housing and employment needs which provided the opportunity to develop joint working with Swindon Borough Council.
- 1.3 This review of the LDS takes into account ongoing joint working with Swindon Borough Council and includes the following
 - (i) An updated timetable for the preparation of the Wiltshire Housing Site Allocations DPD which is now at Examination. The plan identifies new sites for housing, to provide surety of delivery over the plan period to 2026. It also includes a review of settlement boundaries in the Wiltshire Core Strategy.
 - (ii) A revised timetable for the Wiltshire Local Plan¹ Review in response to the revisions to the National Planning Policy Framework (2018 and 2019) and the consequential changing nature of joint working with Swindon Borough Council.
- 1.4 The programme for the preparation of the Wiltshire Local Plan Review includes the Council's commitment to the preparation of a Statement of Common Ground, prepared in co-operation with Swindon Borough Council to confirm the extent of joint working between the two authorities.
- 1.5 The LDS does not include a timetable for the preparation of individual neighbourhood plans as the timing and delivery of these are the responsibility of the 'qualifying bodies' which, in Wiltshire, is generally the parish councils. However, the LDS does provide a summary of those plans that have been made and now form part of the development plan and those that have progressed to at least the submission stage at the time of writing (March 2019).

¹ While the Wiltshire Core Strategy was being prepared changes in Government advice resulted in a change of terminology and content of council wide plans. Specifically, the term 'Core Strategy' was replaced by 'Local Plan' in the National Planning Policy Framework. To avoid confusion the title 'Wiltshire Core Strategy' was retained until it was adopted. However, it is appropriate to now adopt the new terminology as, in line with the National Planning Policy Framework, the review will bring into it the development management policies currently referred to as 'saved policies of the former District Councils'

- 1.6 The LDS recognises the need to review adopted Minerals and Waste DPDs to check their consistency with the national planning policy and identify the need for any additional policy development.

2. The Wiltshire Development Plan

Existing Development Plan

- 2.1 Section 38(6) of the Planning and Compulsory Purchase Act states that planning applications must be determined in accordance with the development plan unless material considerations indicate otherwise. The development plan comprises both DPDs prepared by Wiltshire Council as local planning authority and made (adopted) Neighbourhood Plans prepared by parish and town councils within Wiltshire. Policies within the documents listed in Table 1 and 2 below currently form the development plan for Wiltshire (and Swindon²).
- 2.2 The Wiltshire Core Strategy replaces many of the ‘saved’ policies within the former North Wiltshire Local Plan 2011, the Kennet Local Plan 2011, the West Wiltshire District Plan First Alteration 2011 and the Salisbury Local Plan 2011, as well as some policies within the West Wiltshire Leisure and Recreation DPD. The remaining extant policies from these documents are listed at Appendix D of the Wiltshire Core Strategy.

2.3 The DPDs that are under preparation are summarised in Table 3, with more detailed information in Appendix A and a summary of the overall programme in Section 3.

Table 3: Development Plan Documents in preparation

Document	Area Covered	Anticipated adoption date	Comments
Wiltshire Housing Site Allocations DPD	Wiltshire council (excluding the Principal Settlement of Chippenham)	Quarter 3 2019	Sets out additional site allocations for housing across Wiltshire to ensure supply throughout the plan period to 2026. In addition, the document addresses the review of existing settlement boundaries.
Wiltshire Local Plan DPD Review	Wiltshire council	Quarter 3 2021	A review and roll forward of the housing and employment requirements in the Wiltshire Core Strategy to relate to the period 2016 to 2036 and to maintain consistency with national planning policy. It will incorporate the previously proposed partial review of the Wiltshire Core Strategy and Gypsy and Traveller DPD. It will refine certain policies to assist in the determination of planning applications, a key area being a review of all remaining saved policies from previous district local plans, policies for town centres and recreation.

Wiltshire Housing Site Allocations DPD

- 2.4 Consultation on the scope of the Wiltshire Housing Site Allocations DPD was undertaken in 2014 and informal consultation subsequently undertaken with Parish and Town Councils in 2014 and 2015. A pre-submission draft plan was published for consultation over the period 14 July to 22 September 2017.
- 2.5 In July 2018, the Council submitted the draft Wiltshire Housing Site Allocations Plan, along with a 'Schedule of Proposed Changes' and supporting evidence to the Secretary of State for independent examination. Following correspondence from the Inspector the Council undertook a six-week consultation on the 'Schedule of Proposed Changes' to the Plan, along with a revised Sustainability Appraisal, a Habitats Regulations Assessment Addendum, and associated evidence documents in the Autumn of 2018. The examination in public will commence in April 2019 and adoption will follow in Summer/Autumn 2019.

Wiltshire Local Plan DPD Review

- 2.6 The 2017 LDS included a timetable for a Wiltshire Local Plan Review which incorporated the previously proposed partial review of the Wiltshire Core Strategy and Gypsy and Traveller DPD. (These were included in the 2015 LDS). The review of the Wiltshire Local Plan will provide the strategic context for development up to 2036 and

determine the level and direction for future growth. It will include the allocation of a range of sites to meet the identified need for homes and jobs, a review of existing development management policies, and strategic guidance for the preparation of neighbourhood plans. The scope of the plan is explained further in the Wiltshire Local Plan Document Profile at **Appendix A**.

2.7 In accordance with the 2017 LDS a Regulation 18³ consultation on the scope of the local plan review commenced in November 2017. The consultation envisaged future joint working with Swindon Borough Council informed by the completion of a Strategic Housing Market Assessment (SHMA) and Functional Economic Market Assessment (FEMAA) for the combined area of Swindon and Wiltshire.

2.8 There was a pause in the preparation of the review of the Wiltshire Local Plan to consider changes to plan making introduced by new national policy through the revisions to the National Planning Policy Framework (NPPF). In particular these related to:

- (i) the introduction of a 'standard methodology' for calculating local housing need based on population projections and local affordability ratios (house price to income);
- (ii) this local housing need is to be expressed as a single authority housing requirement replacing the previous approach to calculate local housing need on the basis of housing market areas; and
- (iii) Statements of Common Ground with neighbouring local planning authorities are to become live documents which identify the strategic cross boundary matters being addressed through the plan making process.

2.9 These changes had implications for joint working with Swindon Borough Council and the subsequent timetable for the local plan review. It is now envisaged that further informal consultation will take place during the Spring and Summer of 2019 as part of ongoing Regulation 18 consultations leading to consultation on a pre-submission draft plan in early 2020 (Regulation 19).

Joint Working with Swindon Borough Council

2.10 The publication of a revised National Planning Policy Framework in July 2018 has influenced the nature of future joint working with Swindon Borough Council which has triggered the need to review the Local Development Scheme.

2.11 In accordance with Section 33A of the Planning and Compulsory Purchase Act 2004 (as amended) local authorities must engage constructively, actively and on an ongoing

³ Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations 2012 requires the local planning authority to notify consultation bodies of the subject of a local plan which the local planning authority propose to prepare and invite each of them to make representations to the local planning authority about what a local plan with that subject ought to contain.

basis in any process by means of which development plan documents are prepared. This is termed the 'duty to cooperate'. It states that cooperation should take account of the most appropriate functional geographies, which would include housing market areas (HMAs) and functional economic market areas (FEMAs). This provided the momentum for joint working with Wiltshire and the proposed Joint Spatial Framework included in the 2017 LDS.

- 2.12 The revised NPPF now requires local authorities to “*maintain one or more statements of common ground, documenting the cross-boundary matters being addressed and progress in cooperating to address these*” (paragraph 27). The accompanying Planning Practice Guidance outlines what a statement of common ground should contain and explains that it should be “*maintained on an on-going basis throughout the plan making process*”.
- 2.13 A statement of common ground can identify matters that are agreed, yet to be agreed, or further information that is required before matters can be agreed. It will identify those areas where cooperation is required to deliver the strategic policies of both authorities. To this extent it will cover many of the elements previously intended to be included within the Swindon and Wiltshire Joint Spatial Framework as detailed in the previous LDS (2017).
- 2.14 A Statement of Common Ground will therefore be prepared between Wiltshire and Swindon Borough Councils to confirm the extent of joint working between the two authorities, including:
- (i) whether the proposed housing requirements for Swindon Borough Council and Wiltshire Council can be accommodated within each authority’s boundaries and if not the extent of the shortfall in provision;
 - (ii) whether the proposed employment land requirement identified in the Swindon and Wiltshire Functional Economic Market Assessment can be accommodated within each authority’s boundaries and if not the extent of the shortfall in provision; and
 - (iii) whether there are other cross boundary strategic issues that should be addressed through joint working including infrastructure provision to support growth.
- 2.15 The Statement of Common Ground should be subject to ongoing review. The scope of the Joint Spatial Framework will be determined by the Statement of Common Ground. It may be reduced in scope compared to that previously proposed, for example, it may focus on employment land and infrastructure delivery.

Joint working with Neighbouring Authorities

- 2.16 As well as Swindon Borough Council, there are also ongoing discussions with other neighbouring authorities to understand the implications of planning for growth in our

respective areas. These cross-boundary discussions will also lead to the preparation of Statements of Common Ground to identify how the duty to cooperate has been discharged.

Minerals and Waste Planning

- 2.17 As outlined in Table 1, Wiltshire Council and Swindon Borough Council have successfully cooperated in the preparation and adoption of a complete set of Minerals and Waste Development Plan Documents. These plans are being implemented and monitored through the Annual Monitoring Report (AMR) process.
- 2.18 A review of national policy including ‘National planning policy for waste’ (a gap analysis) will be undertaken in 2019/2020 of the existing adopted minerals and waste policies, to identify whether the existing adopted policies need to be amended or replaced. This exercise will be undertaken in co-operation with Swindon Borough Council and will also review the evidence base. If it is considered necessary to programme a review, this will be set out in the next update to the LDS.

Emerging Neighbourhood Plans

- 2.19 Neighbourhood planning is popular across Wiltshire. Currently, 81 Neighbourhood Areas have been formally designated for the purposes of preparing a neighbourhood plan; and there are 24 ‘made’ (adopted) plans within Wiltshire, which are listed in Table 2 above. In addition to the development plan documents in preparation, the following neighbourhood development plans are at an advanced stage of preparation having been submitted to Wiltshire Council for consultation and examination⁴ (they have reached the Regulation 16 stage of plan preparation)⁵. Following successful examination and referendum they can be ‘made’ at which point they will also form part of the development plan for Wiltshire:

- Chirton and Conock Neighbourhood Plan
- Corsham Neighbourhood Plan
- Hullavington Neighbourhood Development Plan
- Oaksey Neighbourhood Plan
- Sherston Neighbourhood Plan
- Tisbury and West Tisbury Neighbourhood Development Plan
- West Lavington Neighbourhood Plan

⁵ Regulation 16 of the Neighbourhood Planning (General) Regulations 2012 requires the local planning authority to as soon as possible after receiving a plan proposal to publicise the plan on their website and in such other manner as they consider is likely to bring the proposal to the attention of people who live, work or carry on business in the neighbourhood area and include details on how to make representations on the plan over a period not less than 6 weeks.

milestones, is summarised in the following chart. **Appendix A** includes profiles for each document.

3.2 Progress has already been made on the delivery of the Wiltshire Housing Site Allocations Plan which means, accordingly, only the later stages of preparation are shown. Each DPD document follows a similar process:

- (i) Public consultation on the scope of plan
- (ii) Plan preparation (including evidence gathering and informal consultation)
- (iii) Publication of the plan for pre-submission consultation (i.e. before submission to the Secretary of State)
- (iv) Submission to the Secretary of State
- (v) Examination (including hearings and receipt of Inspectors report)
- (vi) Adoption

3.3 An important milestone for each document is the point at which the document is submitted to the Secretary of State. Critical to maintaining progress in relation to each document is the role of Cabinet and Full Council. Cabinet provides Member approval to progress key stages of plan preparation and authorise consultation procedures. Full Council is required to approve the DPD for submission to the Secretary of State and finally adopt the plan as required by the Council's constitution and legislative requirements.

Implementing the Wiltshire Core Strategy

4.1 The Wiltshire Core Strategy was adopted in January 2015 it will remain the adopted policy for Wiltshire until adoption of the Wiltshire Local Plan review currently envisaged in Summer 2021. To support the continuing implementation of the Core Strategy there are other projects that have been completed. These are:

- (i) Infrastructure Delivery Plan (IDP) 3 - sets out detailed guidance on what infrastructure will need to be provided to support planned development. **Completed December 2016**
- (ii) Community Infrastructure Levy Charging Schedule⁶ - sets out the type and scale of contributions that will be required to help provide the infrastructure to support development, based on the Infrastructure Delivery Plan and Wiltshire Core Strategy. **Approved May 2015⁷**
- (iii) The Wiltshire Regulation 123 List - sets out the infrastructure that the Council may fund, in whole or in part, by the Community Infrastructure Levy. **Approved September 2016**
- (iv) Planning Obligations Supplementary Planning Document (SPD) - provides detailed guidance on the application of Core Policy 3 of the Wiltshire Core Strategy. The SPD sets out how the Council will use section 106 planning obligations alongside other mechanisms for securing developer contributions towards infrastructure. **Adopted October 2016**
- (v) Wiltshire Design Guide Supplementary Planning Document- to set out guidance on both the design approach and the assessment of development proposals in the application of local plan design policies which seek to ensure high quality design and place shaping across the county in line with the revised NPPF. **In progress**

Supporting the Wiltshire Housing Site Allocations DPD

4.2 The Wiltshire Housing Site Allocations DPD is in preparation with hearings scheduled to commence in April 2019. The following document is being prepared to support the

⁶ The Community Infrastructure Levy (CIL) is a charge which local authorities in England and Wales are empowered, but not required, to charge on most types of new development in their area. CIL charges are based on simple formulae which relate the size of the charge to the size and character of the development paying it. The proceeds of the levy will be spent on infrastructure to support the development of the area.

⁷ Planning Practice Guidance states that "...charging authorities should also consider linking a review of their charging schedule to any substantive review of the evidence base for the relevant Plan." The review of the CIL Charging Schedule for Wiltshire will be informed by the evidence gathered to support the review of the Wiltshire Local Plan.

implementation of this plan and the Wiltshire Core Strategy:

- (i) Trowbridge Bat Mitigation Strategy Supplementary Planning Document (SPD) - It is a strategy for considering the impacts of development in the Trowbridge area on the Bath and Bradford on Avon Bats Special Area of Conservation (SAC) and sets out an approach for mitigation to avoid significant adverse impacts. It is envisaged the SPD will be progressed for adoption alongside the Wiltshire Housing Site Allocations Plan following consultation February/March 2019. **In progress**

Supporting the Wiltshire Local Plan Review

4.3 The Wiltshire Local Plan Review will develop new policies and amend existing policies, where necessary, to bring them into line with the revised NPPF and current practice. It is proposed that in a number of policy areas specific guidance will be prepared to support implementation. These include:

- (i) Wiltshire Green Infrastructure Strategy - to set out a strategic Wiltshire-wide green infrastructure network that will comprise of both new and existing green spaces; walking, cycling and horse riding routes; parks, recreational spaces and play areas; water courses and water bodies; areas of high biodiversity value; and access and wildlife corridors such as inland waterways and rivers. **In progress**
- (ii) Affordable Housing Supplementary Planning Document - to set out detailed guidance on the interpretation and implementation of affordable housing policies which will be amended as part of the Wiltshire Local Plan Review in response to changes in the definition of affordable housing included in the revised NPPF. **In progress**

Annual Monitoring Report

4.4 Annual Monitoring Reports (AMR) monitor and review how well the council has performed against the timetable set out in the LDS and any changes needed to maintain an up to date LDS. The role of the AMR is also to monitor the effectiveness of the policies included in each DPD.

4.5 The Localism Act contains provisions to remove the requirement to submit the AMR to the Secretary of State for approval; it does not contain provisions to remove the need for an AMR. It is now for each council to decide what should be included in their AMR while ensuring that they are prepared in accordance with UK and EU legislation⁸. Wiltshire Council continues to produce annual monitoring data.

⁸ Letter to chief planning officers on preparation and monitoring of local plans, March 2011

Risk assessment

4.6 Risk assessment will be undertaken during the LDS period by senior managers and will consider mitigation and contingency measures that may need to be implemented to ensure that sound DPDs are prepared and developed in a timely manner. Significant risks that have been identified include:

- failure to secure consensus with members leading to significant milestones being missed
- changes to legislation and regulations delaying the plan making process
- lack of an appropriate and up-to-date evidence base
- insufficient resources (financial and staff) at critical points in the process

GLOSSARY

A guide to the terminology used in this document

Annual Monitoring Report (AMR) - A report on how the council is performing in terms of the Local Development Framework. It includes a review of the Local Development Scheme's timetable and monitors the success of development plan document policies.

Community Infrastructure Levy (CIL) - A charge levied by the council on new development to fund the provision of infrastructure and wider community benefits. In order to charge the levy, the council must have an adopted CIL Charging Schedule.

Community Infrastructure Levy Charging Schedule - A document that sets out the council's schedule of charges on various forms of development. The Charging Schedule must be based upon a robust evidence base (linked to the Infrastructure Delivery Plan and robust viability assessments) and subjected to meaningful consultation. The Schedule is examined by an independently appointed assessor (generally the Planning Inspectorate); and if found sound, the council can then charge CIL.

Development Plan Document (DPD) - A document setting out the council's planning policies and proposals. They are subject to community involvement, consultation and independent examination. A sustainability appraisal is required for each development plan document.

Gypsy and Traveller Accommodation Assessment (GTAA) - An assessment of the accommodation needs of gypsies and travellers.

Local Development Document (LDD) - The documents that set out planning policies for specific topics or areas, which make up the Local Development Framework.

Local Development Framework (LDF) - A portfolio of local development documents including all those policies forming the framework for future development.

Local Development Scheme (LDS) - A timetable for the preparation of local development documents.

Local Plan - development plan document(s) setting out the spatial vision and strategic objectives of the planning framework for an area. All development plan documents collectively comprise the Local Plan.

National Planning Policy Framework - The National Planning Policy Framework was first published on 27 March 2012 and revised in July 2018 and February 2019. The framework gives guidance to local councils in drawing up local plans and on making decisions on planning applications to deliver sustainable development.

Neighbourhood Planning - The Localism Act, which received Royal Assent on 15 November 2011, introduced new rights and powers to allow local communities to shape new development by coming together to prepare neighbourhood plans.

Saved Plan - Under the Planning and Compulsory Purchase Act 2004, adopted Local Plan's have the status of "saved plans" until they are replaced by local development documents.

Saved Policies - The Government has set out procedures for saving adopted local plan policies beyond the period allowed in the Planning Act for saved Local Plans, until they have been replaced by

policies in local development documents.

Spatial Planning - Includes economic, social and environmental issues as well as the physical aspects of location and land use.

Sustainability Appraisal (SA) - This is required under national legislation for emerging policy and include consideration of social and economic impacts as well as impacts on the environment. Wiltshire is producing a combined SA and Strategic Environmental Assessment (see below).

Statement of Community Involvement (SCI) - This is a document which sets out how the council will consult and involve the public at every stage in the production of the Local Development Framework. It also applies to major development control applications. The SCI is not a development plan document.

Strategic Environmental Assessment (SEA) - An appraisal of the impacts of policies and proposals on economic, social and environmental issues, required by European legislation. A combined SEA and Sustainability Appraisal is being undertaken for Wiltshire.

Supplementary Planning Document (SPD) - A Local Development Document which provides additional advice and information relating to specific policy or proposals in a Development Plan Document.
