1. Main Considerations

- 1.1. Councillors will need to be satisfied that Health and Wellbeing Groups awarded in the 2019/2020 year are made to projects that can realistically proceed within a year of it being awarded.
- 1.2. Councillors will need to be assured that carers, older and/ or vulnerable people will benefit from the funding being awarded. The money must be used to invest in projects that will support adults living within a community area. While not exclusively restricted to older people, the investment should be made in such a way as to make the maximum impact on health and wellbeing within a given community area.
- 1.3. Councillors will need to ensure measures have been taken in relation to safeguarding older and vulnerable people.

2. Environmental & Community Implications

Health and Wellbeing Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

3. Financial Implications

Financial provision had been made to cover this expenditure

- 3.1. Southern Area Board was allocated £7700 in 2019/20.

3.2. The Southern Area Board Health and Wellbeing Funding balance for 2019/20 is £10,968 (including underspends from previous financial years).

3.3. All decisions must fall within the Health and Wellbeing Funding allocated to Southern Area Board.

4. Legal Implications

5. Human Resources Implications

There are no specific human resources implications related to this report.

6. Equality and Inclusion Implications

Ensuring that Community Area Boards and Health and Wellbeing Groups fully consider the equality impacts of their decisions in designing local positive activities for vulnerable people and carers is essential to meeting the Council's Public Sector Equality Duty.

7. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard carers and vulnerable people benefiting from these projects. The Community Engagement Manager has assessed this application and agreed it meets safeguarding requirements.

8. Applications for consideration

Applicant	Project Proposal	Requested
Carers Support Wiltshire	Make A Friend, Be A Friend	£3541
<p>Project description</p> <p>Loneliness and isolation are a huge problem amongst the elderly. In South Wiltshire, nearly 3,000 people aged 65 or over feel lonely or isolated. Elderly carers are twice as likely to feel lonely as their peers. Of the estimated 1,279 unpaid carers aged 65 or over in the South Wiltshire area, more than 470 feel lonely sometimes and an additional 320 feel lonely all the time.</p> <p>We'd like to reach South Wiltshire residents who may be lonely, and connect them with local organisations and groups which can offer friendship and social inclusion. We will work with other organisations such as Age UK and Alzheimer's Society to ensure respondents are also referred to appropriate sources of support.</p> <p>We are currently trialling this approach in the Melksham, Corsham and Trowbridge community areas. Whilst it is still too early to gauge success, we have already had a number of calls to the service and successfully introduced lonely and isolated older people to local groups.</p> <p>We are confident that this approach will enable us to engage with elderly people who are lonely or isolated, whom we would otherwise struggle to reach.</p> <p>See Appendix 1 for full details of the application.</p>		

Applicant	Project Proposal	Requested
Carers Support Wiltshire	Southern Community Carers Champion	£5835
<p>Project description</p> <p>To create the post of Carers Champion for 12 months in the Southern Community area. The Carers Champion will work with local community and existing assets to raise awareness of all age carer services and identify carers who may need additional services. The role will be 1 day per week for 12 months with equipment, management and support provided by Carer Support Wiltshire.</p> <p>The Southern Community Carer Champion will work with local community and existing assets to raise awareness of all age carer services and identify carers who may need additional services. Applicant	Project Proposal	Requested
Nunton & Downton Sheltered Housing Scheme	New Gardening Club	£960
<p>Project description</p> <p>This project will help the residents of 2 sheltered housing schemes to plan and manage their gardens. The process will be aided by Foragers Farm (a social enterprise company) who will lend both gardening expertise and assistance with heavy tasks. The members have the added value of a social gathering in each scheme as well as having reasons to engage with other gardening clubs. Foragers Farm will help the REO to develop opportunities for competitions, visits to other clubs, garden shows and seed and plant exchange days. The project aims to improve the outlook of tenants in their own homes but to broaden connections and remove isolation within each scheme. Linking gardening to feeling valued within each community. Schemes are located in Nunton and Downton</p> <p>See Appendix 3 for full details of the application.</p>		

Applicant	Project Proposal	Requested
Homestart SW	Reaching Out	£3300
<p>Project description</p> <p>Reaching Out is our project which supports 12 disadvantaged families in Salisbury and Southern Wiltshire for 6 months. Home Start South Wiltshire recruits and trains volunteers from within the community who are then matched with families in need of support. They may be struggling with a variety of issues including isolation, poor physical and mental health, post-natal depression, problems with children's behaviour and family relationships.</p>		

They need help to get back on their feet and to be encouraged and enabled to access their own support network within the community.

See Appendix 4 for full details of the application.

Applicant	Project Proposal	Requested
Area Board collaboration on older people's isolation priority	Silver Sunday Programme 2019	£500
Project description		
<p>A programme of events for people aged 55 plus, from 26th September to 7th October to mark 1st October International Older People's Day. The programme includes both special events and open free taster sessions at a range of regular ongoing activities both central and local community venues including the Guildhall. The programme aims to promote positive role models of older people to counteract negative media publicity depicting older people as dependent burdens on society and simultaneously encouraging people who may be lonely or isolated to engage with individual/groups and physical and creative activities to enhance health and wellbeing.</p> <p>This programme first trialed in Salisbury in 2018, and the aspiration is to run this again, but in collaboration with neighbouring community areas – Southern Wiltshire and South West Wiltshire.</p> <p>See Appendix 5 for full details of the application.</p>
