The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

GPs to vote on proposal to merge three CCGs

The Governing Bodies of Bath and North East Somerset, Swindon and Wiltshire CCGs have approved the decision to pursue the creation of a single CCG with one Governing Body and one set of statutory duties by 1 April 2020.

Throughout July and August, we have been meeting and discussing the proposal to merge with our stakeholders and gathering their views on our plans. You can add your comments by emailing bsw.mergerfeedback@nhs.net before 3 September 2019.

All feedback will be considered by the three Governing Bodies and our collective GP membership will be invited to vote on a final decision to apply for merger. The Local Medical Committee (LMC) will conduct the voting process which will run from 4 - 17 September 2019.

If we receive membership support, we will then formally apply to NHS England to make a final decision regarding the future of BaNES, Swindon and Wiltshire CCGs. A detailed application to merge needs to be submitted to NHS England by 30 September 2019 to have the full merger in place by April 2020.

We will continue to provide you with updates on the process in the coming months.

Our Health Our Future – engagement to support BSW five year plan

We wrapped up the survey and engagement for Our Health Our Future at the end of July - thanks to everyone who took the time to share their views.

Over six weeks we received more than 1,450 survey response from across Bath and North East Somerset, Swindon and Wiltshire (BSW) and talked with hundreds more at markets, on the streets and in groups at meetings.

Our Health Our Future aimed to find out what was important to people for the future of local health and care services. The feedback we received will help us build our five year plan for services in the BSW region.

Responses are currently being analysed and we will share the key themes and ideas in due course.
