• East Wing Update

Trowbridge Masterplan 2014

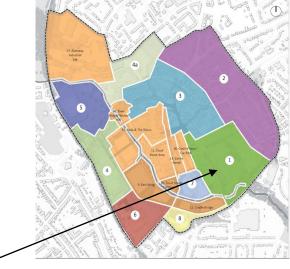

Area 1 - Peoples Park

High quality Civic and public open spaces

- Improved activity around the edges of the park and quality of sorts and recreation facilities
- Improvements to way parking and linages with town centre and edge of centre retail and leisure

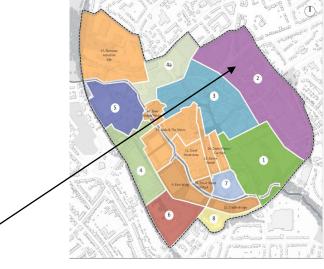

Area 2 - North east edge of centre

Professional services, secondary retail and residential uses

 Improved functional links with town centre through improvements to public realm and way marking

The Halve

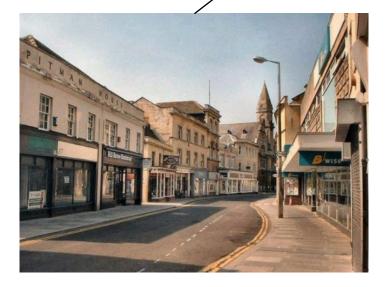

Area 3 - Historic town centre

Retail and service core

- Improved public realm and relationship with the riverside
- Explore opportunities for above ground residential uses and office accommodation

Area 4/4a - Edge of centre

Bythesea road/ Wicker Hill / Stallard street – edge of centre retail, small retail units and residential users

 Transport interchange – seek enhancements to improve public realm, way making and links to the town centre and edge of centre users

Area 5 – Bowyers/Innox Mills

 Comprehensive redevelopment of the site comprising a food store, non-food retail units, leisure floorspace, food and drink floorspace and associated petrol filling station

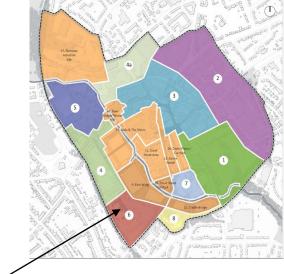

Area 6 - County Hall

Primary county town administrative building including library and café

 Enhance linkages to transport interchanges and town and edge of centre users

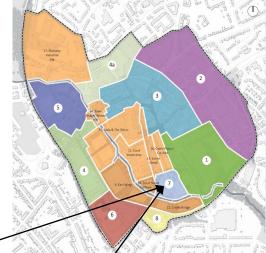

Area 7 - St Stephens Place

Implemented scheme

 Comprehensive redevelopment of the site comprising multi-screen digital cinema, hotel, restaurants/cafes/bars/retail and associated car parking, public realm and pedestrian cycle links

Area 9 - East Wing

Site now cleared

 Comprehensive redevelopment of east wing supporting high quality, vibrant, mixed use development. As part of a series of new linked destinations along the river corridor.

Area 10 & 12 - Court Street & Area

Council owned car park

Existing employment area comprising of under-used former mill building, warehouses, workshops and office accommodation

- Create an attractive working environment supporting innovation and growth in independent, cultural and creative business.
- Protect and enhance the existing heritage assets of the area and provide new pedestrian links with the river. Improve public realm and the traditional warehouse facades

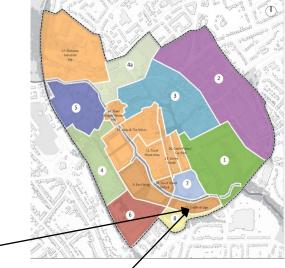

Area – 11 Cradle Bridge

Former 'Peter Black' site comprising vacant buildings and external servicing

- Comprehensive redevelopment of East Wing, Court Street car park and Cradle Bridge supporting high quality, vibrant, mixed use development.
- As part of a series of new linked destinations along the river corridor and encourage people to make linked trips.
- Establish a new east-west pedestrian and cycle link across the River Biss.

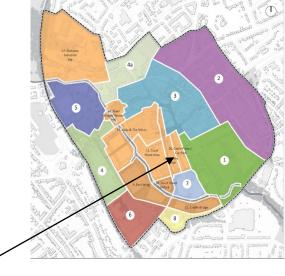

Area 13 - Castle Street

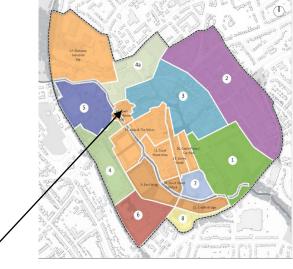

Key north – south route into the historic core supporting a mix of smaller independent businesses, some units remain vacant

- Support complementary retail, leisure and commercial uses allowing for mix day and night time activity.
- Castle street as a key walking street encouraging links trips.
- Support potential future redevelopment of the toy store/garage to accommodate larger retail units.

Area 14 - Town Bridge / Wicker Hill

An important access point and gateway to the town and the river

- Creation of a new civic spaces at town bridge focused on the River Biss through comprehensive public realm works
- Maximise active development frontage onto the River Biss corridor and Wicker Hill

Area 15 - Asda and The Shires

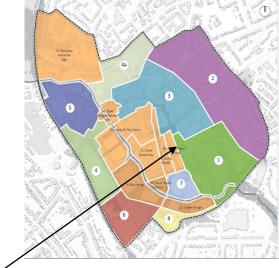

Shopping centre, car park, supermarket and servicing

- To improve public realm, waymarking and relationship with the riverside, the historic core, the Gateway development and railway station
- Explore opportunities to reconfigure space to provide larger retail units set with an attractive environment.

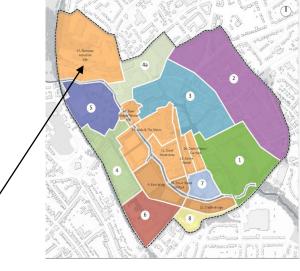

Area 16 - Castle Place & Car park

Shopping centre, multi-storey car park and leisure centre

- Facilitate longer term redevelopment if the wider parking strategy for Trowbridge can be achieved.
- Support vibrant and mixed use development to encourage people to make linked trips

Area 17 - River way Industrial site (shails)

Light industrial and recycling facilities

- Facilitate longer term redevelopment opportunity for a mix of uses to include housing, office, business and/or leisure uses.
- Prepare a site specific development brief setting out the development and design principles.
