

**Pewsey Area Board 9 May 2011  
Chairman's Announcement**

**Consultation on Wiltshire and Swindon Proposed Submission Draft Waste Site Allocations Development Plan Document (DPD)**

Wiltshire Council is updating its policy framework to ensure that future proposals for waste development in Wiltshire are for the right types of facilities in the right locations. Consultation will commence in June 2011 for 8 weeks on a draft Waste Site Allocations Development Plan Document (DPD) (starting 13 June 2011 and closing at 5pm 5 August 2011).

The consultation document allocates a range of sites for a variety of potential waste uses to provide a flexible and responsive framework that will enable waste to be driven up the waste hierarchy - i.e. reducing our dependence on landfill, with a greater focus on recycling and composting of waste. The majority of sites identified are on land currently in use by existing waste management facilities or current/proposed industrial areas (list of sites and map attached).

Once the consultation period has closed, the draft Sites DPD, the supporting evidence base and all comments received during the consultation will be submitted to the Secretary of State (following Full Council approval) for independent examination.

This DPD forms the final key document in the policy framework for the provision of waste sites within Wiltshire and Swindon, which includes:

- Wiltshire and Swindon Waste Core Strategy (adopted July 2009)
- Wiltshire and Swindon Waste Development Control Policies Development Plan Document (adopted September 2009)

The draft Sites DPD will be available from the start of the consultation period (13 June 2011). The Council encourages anyone wishing to view and comment on the consultation document to use the council's consultation website:

Hard copies of the documents will also be available for inspection at Wiltshire Council and Swindon Borough Council main offices as well as all libraries throughout the County and Borough.
