

Connect 5 aims to improve population mental wellbeing by changing the way we have mental wellbeing conversations.

Connect 5 is offering an incremental three-session training programme about mental health and wellbeing. The programme is free of charge and available to community groups and individuals who have a role in supporting mental wellbeing.

The programme has been developed by academic, clinical and public mental health experts in partnership with Health Education England and Public Health England.

Sessions are currently being held online. To make enquiries about the Connect 5 programme in Wiltshire please contact Kerri Lavender at kerri.lavender@wiltshire.gov.uk
