<u>Road</u>	<u>Recommendation</u>
Church Street	Implement as Advertised
Guthrie Close / Porte Marsh Rd	Implement as Advertised
Lake View	Implement as Advertised
Lockett Way / William Street	Implement as Advertised
Silver Street	Implement as Advertised
Springfield Drive	Implement Proposal with Amendments <i>See detail below</i>
Stockley Lane	Proposal NOT to be implemented

Springfield Drive

Original proposal

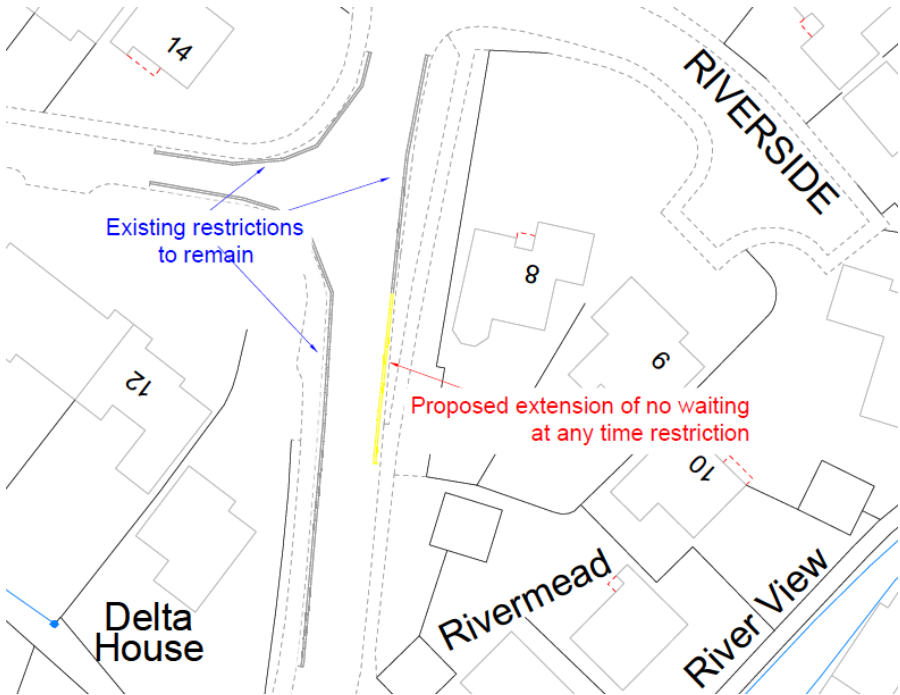

Amended proposal

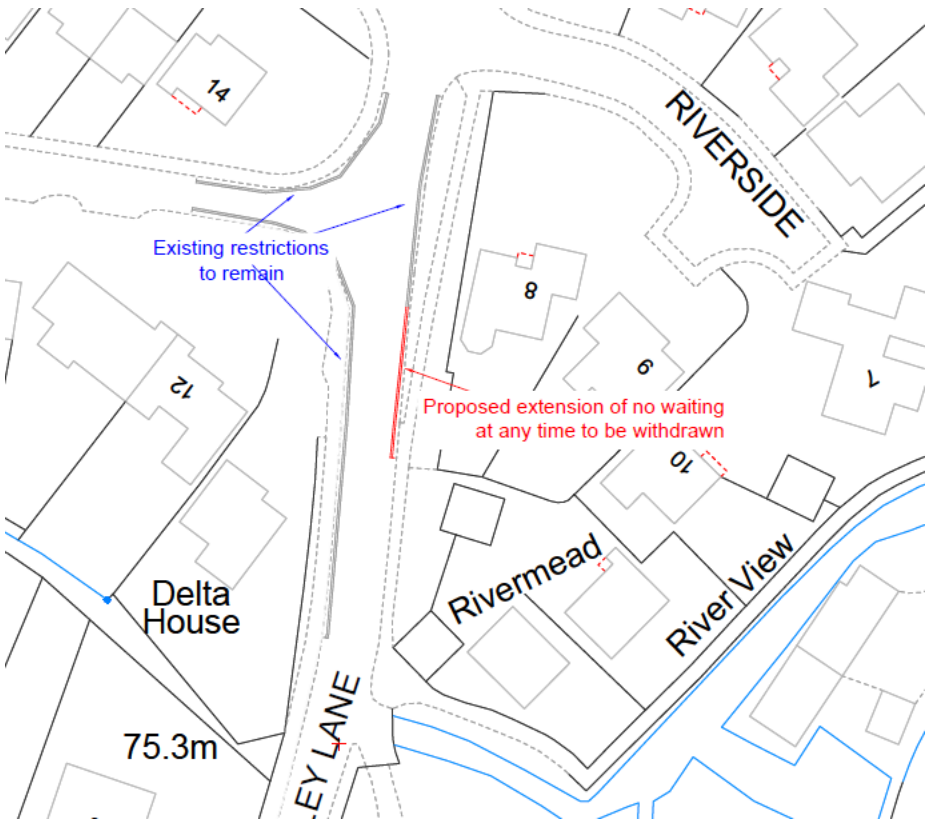

Further to the comments received during the consultation it is recommended to reduce the extent of the proposals. The proposal can be reduced to maximise the availability of on-street parking, whilst still preventing parking too close to the Curzon Street junction, protect forward visibility on the inside of the bend and prevent parking on both sides of the road in the narrow section on the approach to the junction.

Stockley Lane

Original Proposal

Amended Proposal

Recommendation following comments received is not to implement the proposed extension.
