

#FosteringTrowbridge

This month we have launched our #FosteringTrowbridge campaign to encourage more people in the Trowbridge area to consider fostering. We currently have 24 foster families in the area but need another 25 so our children and young people can stay local.

We would appreciate you helping us spread the message in the Trowbridge area from now. Please can we ask you to use the materials attached and share posts from our social media channels and on your own to help spread the message.

Please find attached:

- Social media images – please use these in your posts and look out for our posts and please use the hashtag #FosteringTrowbridge
- Poster – this is a poster which can be printed and shared. We are putting these posters up around Trowbridge but we would appreciate your help in also sending to contacts and asking them to print and share.

Please also share our posts from the main Wiltshire Council account @wiltscouncil and Facebook @WiltshireCouncil

If you do not already can we ask you to follow our fostering Twitter and Facebook accounts and share posts from these. They are Facebook @fosteringinWiltshire and Twitter @FosterWilts

Thank you in advance for your support for this campaign. We are hoping to generate more interest from the Trowbridge area and ultimately more people to come forward and provide a loving home for our children in care who need our support.

If you have any questions please feel free to contact sue.ellison@wiltshire.gov.uk or fostering@wiltshire.gov.uk
