- Due to restrictions since Covid pandemic, seasonal trends have been skewed, however across Racial and Sexual orientation strands (strands with more notable volumes) are showing signs of returning to expected seasonal highs and lows.

Local Priorities & Updates

Priority	Update
Rural Crime	Rural crime continues to be a focus for the team with increased reports of poaching / hare coursing over the past weeks as is expected at this time of year. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.
ASB involving catapults	Whilst we have seen a reduction in the amount of reported incidents of criminal damage reports involving catapults, we have seen a slight increase in reports of general ASB. The team have continued to focus on the issues in Downton. We have carried out 2 proactive operations in and around the area, in collaboration with our colleagues from our Specialist Operations, Rural Crime Team and Hampshire Police. A number of community consultations have taken place in Downton and these will continue where possible.
Theft from motor vehicles	There has been a number of reported offences whereby taxis have been broken into and cash stolen. These offences have predominately been in the city centre and around the Bishopdown area. Security advice has been given to all taxi firms in Salisbury with regards to not leaving cash in them overnight. Targeted patrols have been undertaken in order to identify and deal with possible offenders. We are encouraging anyone who may see any related suspicious behaviour to report it to the police immediately so that the team has every opportunity to respond as soon as possible in order to identify and detain any possible offenders.
Community speed watch	The team continue to support our CSW teams where and when possible and have recently been out in Whiteparish, Coombe Bissett, Redlynch and Harnham providing some support and reassurance to the CSW teams and the community.

Local Priorities & Updates Continued

Priority	Update
School Talks around “Online Safety and People Who Help Us”	We have attended a number of primary schools in various location and provided talks regarding online safety and people who can help you. This has been a great opportunity to start working back within schools, I possible and engagement with the pupils. The team are looking at other topic areas which they can deliver to both primary and secondary school children.
Closure Orders & protecting vulnerable persons	We have three Closure Orders in place in and around Salisbury at present, which we are continuing to monitor and enforce where breaches are reported. We will continue to work in partnership with Wiltshire Council to identify properties responsible for localised ASB and secure Closure Orders for these properties, in order to protect those deemed as vulnerable. Closure Orders are powerful tools that we can use to address ASB originating from an address or location and are particularly useful in dealing with ASB associated to drug use and drug dealing.
