Local Priorities & Updates

Priority	Update
Reports of ASB	The team have carried out an ASB survey in the areas of Tempest Road, Carpenter Drive, Oaklands Avenue & Pointers Way following concerns raised by members of public. Increased patrols have been undertaken in the relevant areas and local officers are liaising with Wiltshire Council and other relevant agencies where necessary.
Speeding and CSW	Speeding continues to be a priority and the team will continue to support the Community Speed Watch teams, where possible. This has also been supported by our Speed Watch Enforcement Officer who has recently been in Enford. Thank you to the Enford Team for keeping us up to date with the dates and times of when they are out.
Rural Crime	Whilst we have seen a decrease in the number of reported offences over the last month, rural crime continues to be a focus for the team. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.
Rogue Traders	We have received a few reports relating to possible Rogue Traders, following damage to property caused during the most recent storms. With this in mind, please be aware of rogue traders who may come to your house to work you haven't asked for. Should anybody knock on your door, ask them for identification and if you are still not sure, call 101.

Local Priorities & Updates Continued

Priority	Update
School Talks around "Online Safety and People Who Help Us"	We have attended a number of primary schools in various location and provided talks regarding online safety and people who can help you. This has been a great opportunity to start working back within schools and engage with the pupils. The team are looking at other topic areas which they can deliver to both primary and secondary school children.
Livestock worrying	We have received reports livestock worrying, whereby dogs have been chasing sheep in the location of Byway 12 Winterbourne Stoke. The team have increased a visible presence in the area, patrolling the byways & engaging with dog walkers.
Closure Orders & protecting vulnerable persons	We currently have one Closure Order in Amesbury at present, which we are continuing to monitor and enforce where breaches are reported. We will continue to work in partnership with Wiltshire Council to identify properties responsible for localised ASB and secure Closure Orders for these properties, in order to protect those deemed as vulnerable. Closure Orders are powerful tools that we can use to address ASB originating from an address or location and are particularly useful in dealing with ASB associated to drug use and drug dealing.
