It will provide resources to ensure the continuation and expansion of the powerkiting project that took place at 'The Grove' Development Centre for Young People over spring, summer and autumn in 2009. Providing sustainability and development of a new activity (landboarding) for 11-18yr olds in Calne (Activities for 11-18yr olds being a top priority for both adults and young people in the community plan). The 25 young people who took part last year have all asked if this activity can continue in 2010, including some disabled young people from the Bridging Project who have become proficient powerkite flyers.			
Being able to purchase the equipment will provide powerkiting sessions for up to 8 young people per session on Monday and Tuesday evenings at 'The Grove'. It will also enable a new kite landboarding project to begin on Saturdays at Beverbrook Sports Facility. Enabling 8 young people per session to experience a new and rapidly growing extreme sport in the UK.			
Powerkiting builds both aerobic capacity and strength. The young people gain knowledge about and respect for weather conditions, in particular wind strength. The project will enable young people to experience and enjoy the outdoors and teach them how to risk assess suitable weather and locations for kiting.			

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

The grant would cover start up costs for the equipment. Ongoing support for the project will be provided by the Extended Schools Partnership and Development Service for Young People. Maintenance, replacement and future provision of equipment will be financed by the group through fundraising activities.

**3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures**

In order to run the 2009 Powerkiting project, kites were borrowed to run taster sessions these now have to be returned. If this application is succesful then the project will become an ongoing part of youth provision in Calne. The CAYPIG comprises a group of young people which does not hold a bank account and would not expect to have any other income or expenditure in the next year. It is therefore not possible to complete that section of this application form. It is proposed that, if this application is successful, the Youth Development Co-ordinator who facilitates the group currently, will hold the funds on it's behalf.
