

RECORD OF PETITIONS RECEIVED

This document contains a record of petitions received since 2015.

If you wish to submit further signatories to a petition which is not available online, or to view the petition in full please contact Democratic Services on committee@wiltshire.gov.uk

No.	Date	Topic	Action taken	Website (if available online)	Signatures
137	19.01.15	Petition, Chief Executive BT, Openreach South West to provide the Cannings Exchange with Fibre Optic superfast broadband ASAP in 2015.	Petition referred to Devizes Area Board and the Cabinet Member. Petitioner advised that Wiltshire Council would be initiating the roll-out in this area. Surveying work had begun and the build was expected to begin in Summer 2015.	change.org	250
138	03.02.15	Gladman Developments have circulated a public consultation document relating to the proposed development for 275 new homes on a greenfield site that is prone to flooding at Shurnhold, Melksham.	Petition referred to the Local Planning Authority as part of the consultation process. No further action required.		522
139	05.02.15	Allow one hour free car parking in all of Wiltshire's car	Petition referred to the Cabinet and considered as part of the consultation process and proposals on car		3,750

		parks. Please accept the petition as part of the consultation into parking charges for Wiltshire's car parks.	parking reported to Cabinet.		
140	11.02.15	'We the undersigned welcome the proposed development at Melksham House and, as part of the scheme, we would like to see the traditional character of the Market Place restored'	Petition referred to the Local Planning Authority as part of the consultation process. No further action required.		157
141	27.02.15	Churchfields Toll Down Way, Burton, SN14. "...we wish to draw your attention to the poor state of the road surface.."	Petition referred to Highways team, an assessment was undertaken which identified this location was not a high priority for works and resurfacing would take place when required.		15
142	24.02.15	We the undersigned petition the council to Apply cctv to the Pine Lawns Cemetry in Warminster to prevent theft from graves.	Petition referred to appropriate Cabinet members. Petitioner was advised that in order to provide adequate coverage of the cemetery, a large number of cameras would be required, which would intrude on privacy.		28
143	20.02.15	Save Our Stadium - We the undersigned petition the council to Support Salisbury's new football club (Salisbury FC) in obtaining a lease for the use of the Raymond McEnhill Stadium and bring football back to the city! For supporters: past, present and	Petition referred to Salisbury Area Board and the petitioner was invited to Full Council. The matter was resolved between the Trustees and the Club with no further action required from Wiltshire Council.	Save our Stadium	8,889
		future!			

144	19.03.15	Street Parking, Trowbridge.	Considered as a letter as no signatures were gathered. Petitioner advised to request changes to parking restrictions with the Town Council in the first instance.		1
145	16.04.15.	Reconsider the decision to withdraw funding to the Wiltshire Music Service	This petition was not formally submitted to Wiltshire Council and received a response from the Cabinet Member for Childrens Services, available here .	Music Service	5,446
146	16.04.15.	Petition to Wiltshire Council: Campaign to save RUH hopper bus	Petition referred to Cabinet, Health and Wellbeing Board and Full Council. Petitioner advised that the Council is not able to continue the same level of support for this service.	RUH Hopper	Total online 1,974 and overall total 3,179 28/01/16
147	24.04.15	We the undersigned petition the council to Provide funding or develop a facility at Solstice Park for a Bowling Alley or Bowl Plex for the population of Amesbury and the surrounding areas.	Petition referred to the Area Board and petitioner advised this is not a viable option.		2
148	27.04.15	Petition to keep the Connect 2 service	Petition referred to Cabinet, Health and Wellbeing Board and Full Council. Petitioner advised that the Council is not able to continue the same level of support for this service.		38
149	07.05.15	Enforce removal of the unsightly scaffolding from No. 3 High Street, Warminster	Petition referred to Building Control, no further action required.		540
150	19.05.15	Bring Rowde into the intervention area for Fibre Broadband provision by Wiltshire Online.	Petition referred to Devizes Area Board. Petitioner advised that BT informed the Council that the cabinet that serves Rowde was in their commercial footprint which meant that the cabinet could not be included in the Intervention Area. Currently the upgrade is on hold due to unexpected high cost however, BT has confirmed that the infrastructure that serves the area is under review to see if the cost can be reduced to make it commercially viable.		71

151	18.05.15	Re-evaluate and revise the 100% cutting of funds to Salisbury Arts Centre.	Petition referred to the relevant Cabinet Member. Petitioner advised that the decision to not renew the funding agreement with the Arts Centre, rather than to reduce the funding to each of the three arts organisations, was taken as it was seen as the least damaging decision to the city as a whole and the Council continues to invest over £250,000 into the Arts in Salisbury. The Council has opened dialogue with the other arts organisations within Salisbury to find a solution which enables the Council to commence a new funding agreement with the Arts Centre.		1845
152	05.06.15	Improved Traffic Control for Marshfield Road + Audley Road junction	Petition was referred to Chippenham Area Board and scheduled for discussion at the Community Area Transport Group.		13
153	26.06.15	Improved safety for the residents, visitors (and pets) of Yatton Keynell	Petition was referred to Chippenham Area Board and scheduled for discussion at the Community Area Transport Group.		213
154	31.06.15	We are asking Wiltshire Council to allow our trees and hedgerows to grow naturally	Petition referred to Cabinet Member for Highways and Streetscene. No contact details for the petitioner were submitted.		70

		and to only prune very gently and carefully in the dead of winter where necessary.			
155	06.07.15	We the undersigned petition the council to do everything possible to ensure that Rowde gets fibre access as soon as possible	Petition referred to Devizes Area Board and petitioner advised that BT had committed to commercial rollout in this area in July 2016.		68
156	06.07.15	Objection to the pedestrian crossing proposal in North Street, Pewsey, jeopardising the future of Woottons of Pewsey	Petition referred to Pewsey Community Area Transport Group which recommended that the crossing no go ahead.		616

157	21.07.15	We want the Council to make local shops sell only Fairtrade chocolate to try and stop child slavery.	Petition referred to the local members to progress with the School and local Fairtrade group. The Council is unable to dictate what local shops choose to sell.		45
158	11.08.15	Support Great Western Air Ambulance To Promote Bike Safety	Considered as a letter and referred to the Cabinet member for Highways and Transport. Petitioner advised The Council, in partnership with the Police, runs a series of BikeSafe courses for motor cyclists and trains around 250 motorcyclists each year.		1
159	19.08.15	Petition the council to ensure that the pedestrian crossing in Atworth is made as safe as possible. In addition to extending the zigzags we would like a grant towards the installation of halo lights on the crossing beacons.	Petitioner advised that this matter was already under discussion at the local Community Area Transport Group.		20
160	21.08.15	The Hamlet and Hamlet	Petitioner advised that this matter was already under		33

		Court, Chippenham, Traffic Management Issues	discussion at the local Community Area Transport Group.		
161	29.08.15	Petition the council to Apply pressure on organizations to stop all fracking operations planned to take place in Wiltshire.	Petitioner advised this issue was to be the subject of a motion at Council. The Oil and Gas authority is running a consultation on potential sites (blocks) for fracking, 4 of these blocks are in wiltshire. The Council will respond to the consultation by 29 September 2015 and will consider the petition as part of this. Council cannot predetermine applications for fracking.		46
162	28.08.15	Petition to Stop the Proposed Changes to Grammar School Transportation and post-16 Grammar School Transportation	Petition referred to Children's Services. The Council does not fund the provision of transport for children who, as a result of parental choice, attend a secondary school other than the one closest to their home.		258

163	13.09.15	Refugees Welcome in Wiltshire	Petition referred to the Leader of the Council. Petitioner advised the Refugee Programme Board met with health and police partners joining us to help assess our capacity for welcoming refugees. We are committed to working with central government to play our part, ensuring that any refugees who come to Wiltshire are given the support they need to become self-sufficient.		163
164	7.11.15	Keep two of the Trowbridge Children Centres open - Petition against proposals to close Bellefield and Longfield childrens centres	Petition referred to Cabinet and considered as part of the Cabinet report 15 December 2015, it was decided to keep 2 Childrens Centres in Trowbridge		688
165	30.11.15	The residents of Devizes are	Petitioner referred to the Cabinet Member for		1,672
		petitioning against the 3 hour maximum stay in the town centre car parks. We would like all day parking to be an option in all car parks.	Highways and Devizes Area Board. Petitioner advised the current management of car parks serves the needs of the town as the results of the parking survey conducted by the Council in 2014 indicate 72% of respondents either agreed or strongly agreed that the Council should prioritise short stay parking near the town centre and locate long stay parking on the fringes of the town.		
166	13.01.16	Hydraulic Fracturing- Concern over PEDL licenses approved in the four license blocks identified in Wiltshire.	No contact details were provided for the petitioner. The subject was considered at Full Council under a separate motion on 23.02.16, see petition 167 below.		10

167	10.02.16	Call for an urgent moratorium on fracking in Wiltshire	The council cannot predetermine its position on applications for fracking, a full statement is available here . Council noted the petition and later debated a motion on fracking, Council requested that Scrutiny establish a task group to help Councillors better understand the general implications of possible hydrocarbon exploration and extraction in the county. This would enable members on relevant planning committees to be better briefed on such matters.	Fracking	87,514 (of which approx. 1,500 are Wiltshire residents-unverified).
168	09.02.16	Petition the Council to alter the road markings to create a left turn/straight-on only layout at the A350 Lacock crossroads in both directions	Petitioner advised the junction is already on Highway's programme for review and possible on ground changes in 2016/17.		3
169	21.03.16	Petition the Council to address the issue of insufficient parking for Cedar	Petition referred to Highways officers and Westbury Area Board. Petitioner advised Wiltshire Council as highway authority do not have any obligation to		12

		Grove, Westbury.	provide places for people to park, and there is currently no funding available for off street parking. The petition suggests that the grass area in front of the properties could be turned into parking spaces. This may be a possibility, subject to obtaining any required planning or other permissions, but it would have to be funded and implemented by the residents and land owners.		
170	21.03.16	Petition the Council to introduce traffic calming measures and a safe crossing point onto the Down, Trowbridge in order to promote the safety of children walking to and from the school.	Petition referred to Trowbridge Area Board and Highways Officers. Petitioners advised that appropriate course of action is for the School to update their travel plan and apply to the Taking Action on School Journeys challenge for funding.		234

171	05.04.16	Save Calne Library from Government Cuts: Petition to raise concerns the Community Hub, staffing and keeping the library open unstaffed.	Petition referred to Calne Area Board and Libraries service. Petitioner advised that the Community Hub would see improved access to the library and would not reduce staffing levels.	Calne Library	636
172	08.04.16	Petition Wiltshire Council to stop Bus Cuts	Petition referred to Full Council for debate, it was confirmed there were no plans to cut bus services in that financial year and the consultation was to understand how the services are used.		4,776 online and 1,407 paper
173	08.06.16	Petition for the introduction of Restricted Parking to be put in place on Langley Rd (east) Chippenham, Wiltshire	Petition referred to the Cabinet Member for Highways and Chippenham Area Board. Petitioners made aware of related Cabinet member decision HT-15-16. In the Decision Notice reference is made to the petition and it is considered that the proposals, which included		21

			restrictions on the eastern side of Langley Road, to address the concerns raised in the petition.		
174	05.07.16	Petition for replacement road signs at Sherfield English Road	Petition referred to Cabinet Member for Highways and Transport. Petitioner advised that other statutory works have been prioritised however due to the long wait and misinformation this works will be prioritised for completion in this financial year.		45
175	25.08.16	Petition against speeding on London Rd Shrewton, petitions for speed humps and improved signage	Petition referred to the Area Board. Petitioners advised to log the issue on the Community Issues System to allow it to be investigated by the CATG. Currently waiting restrictions are pending on London Road.		75

176	19.10.16	Petition to support closing of Marlborough High Street 12pm-10pm during the Jazz Festival.	Petition referred to the Area Board and Highways officers. Petitioners advised that the Council has considered the views of different stakeholders in reaching decision HT-14-16 and taken on board the recommendation of the Town Council. The Council is happy to meet with the organisers of the festival. The Choir was invited to contact the lead officer to discuss further if required.		43
177	16.01.16	Petition to reduce and enforce speed limits and traffic restrictions through Kington Langley.	Petition referred to Chippenham Area Board. Parish Council have requested two metrocounts for the village. Parish Council advised to log the issue on the Community Issues System for consideration by CATG.		225
178	23.01.17	Petition Wiltshire Council to reject any attempts by the	Petition presented to Devizes Area Board and Cabinet Member for Children's Services. Cllr Mayes advised		167

		Government to force the introduction of more Grammar Schools here.	that introducing more grammar schools was not a priority for Wiltshire Council. Associate Director advised: The consultation on the Green Paper, Schools that Work for Everyone, closed in December 2016 and the local authority will fully assess the potential impact of proposals on secondary education within Wiltshire when statutory guidance is provided.		
179	06.02.17	Petition to Resurface and regenerate the A346 between the Ram Alley cross roads and Marlborough , the A345 between Oare and the top of Grantham Hill and finally the B3087 between Burbage and Pewsey.	Petition referred to the Cabinet Member for Highways. Petitioner advised the A346 between Marlborough and Ram Alley was included on the list of proposed sites for 2017/18 reported to the Environment Select Committee in October. Arrangements are currently being made so that the works can be programmed for the summer. The A345 between Oare and the top of Grantham Hill is being considered for localised repairs, and the B3087 will be considered for treatment in future years. In the meantime the roads will continue to be inspected and safety repairs made as necessary.	Road resurfacing	2
180	13.02.17	Petition for hourly bus services from Bradley Rd into Warminster town centre, extension of number 50 and 57 services	Petition referred to the Cabinet Member for Highways and Transport and Warminster Area Board. Petitioner advised there are no planned changes to the weekday Warminster Town service in the immediate future, however the service will be reconsidered later in 2017 as part of the planned procurement of public and school transport in west Wiltshire.		48
181	15.02.17	Petition in respect of a proposed mobile phone mast near Box Tunnel.	Referred to Planning Services as part of development consultation.	Phone mast	124
182	21.02.17	Additional petition in respect	Referred to Planning Services as part of development		315

		of a proposed mobile phone mast near Box Tunnel.	consultation		
183	20.02.17	Petition for speed limit reduction in Thickwood Estate, in support of the move to reduce the speed limit past the estate and down to Ford and Colerne.	Petition referred to the Cabinet Member for Highways and Corsham Area Board. Petitioner advised that a reduction in speed limits is not suitable due to the situation of the road and residential surroundings. The Corsham Community Area CATG had previously commissioned the authority's consultants Atkins to undertake a review of speed limits along the entire length of this route and concluded that the speed limit should remain at the National Speed Limit.		67
184	21.02.17	Petition for a zebra crossing for Colerne Primary School and a reduced speed limit from 40mph to 30mph.	Petition referred to the Cabinet Member for Highways and Corsham Area Board. Petitioner advised that Colerne Primary School should contact and discuss with Wiltshire Council's School Travel Plan Advisor updating their Travel Plan. Once the school have completed updating the travel plan they will be eligible to apply for funding later this year through the Taking Action on School Journeys funding project. This will allow a feasibility study to be carried out to assess all of the schools concerns.	Colerne petition	160
185	14.03.17	Petition to address anti-social behavior at Valley Rd underpass, Corsham	Petition discussed at Corsham Area Board and referred to the Cabinet Member for Public Health. Corsham Area Board agreed funding to provide a camera installation and anti-graffiti paint. The Police are aware of the issue however have not caught any instances of Anti-Social Behaviour.		175
186	02.06.17	Petition for temporary traffic calming measures on	Petition presented to Trowbridge Area Board and referred to the Highways Engineer and Community	Traffic calming petition	70

		southview park.	Area Transport Group for investigation. Petition was also referred to the Cabinet Member.		
187	12.06.17	Petition to review the safety of traffic calming in Prince Charles Drive and Abberd Way and conduct a public consultation on alternatives.	Petition presented to Full Council and referred for investigation and consideration by the Area Board.		139
188	27.06.17	Petition against the building of houses on the fields adjacent to Boundary Walk, Trowbridge.	Petition relates to a regulatory matter and therefore was referred to planning officers as part of the consultation.	Housing Site Allocation Petition	864
189	30.06.17	Petition Wiltshire Council to resurface Grovely Rd.	Petition referred to the Cabinet Member for Highways and Transport for Consideration. Resurfacing in this location is not considered to be a priority, however velocity patching treatment has been scheduled to fill a pothole.		70
190	24.08.17	Objections to proposed phone mast. Ref: Planning application 17/06967/PNTEL	Petition relates to a regulatory matter and therefore was referred to planning officers as part of the consultation.	Phone mast petition	1,385
191	13.09.17	Petition to close the footpath between Salter Close and Millhand Villas in response to crime and anti-social behavior.	Highways, Legal, Public Health, Public Protection and Wiltshire Police met to discuss this matter and review the evidence and official complaints to the Police and Wiltshire Council. It was agreed more needs to be known to address the root causes of the problem, as such the residents are advised to log incidents on one central portal, this will be reviewed upon receipt and direct an effective course of action.		26

192	13.09.17	Petition on speed of traffic, Shute Lane, Alderbury	Issue already known to Southern Wiltshire Community Area Transport Group, a metrocount was undertaken to measure speeding on this road however the results did not warrant a change to the speed limit. The Parish Council will re-asses in 12 months.		83
193	14.09.17	Petition in respect of proposed Housing Site Allocations along Netherhampton Road between Netherhampton and Harnham.	Petition referred to Spatial Planning as part of Draft Housing Site Allocation Plan consultation and presented to Full Council.	Netherhampton Rd petition	242
194	06.10.17	Petition to get better living condition at Oak Tree Fields and Dairy House Bridge Salisbury	Petition referred to the Cabinet Member Cllr Chuck Berry and Corporate Leadership for investigation. Following a discussion with informal cabinet, the Council has put together a project team to review the options in regard to the long term management of these sites. A more detailed analysis on the options is being pulled together in preparation for a formal decision in the summer. The residents will be consulted on the proposal in mid March / April 2018"		27
195	06.10.17	Petition to address problematic parking in Newport/The Mews Warminster	Petition referred to the Cabinet Member for Highways and Transport. The petition was referred to the Network Management Team. This location is now on the list for consideration by the Network Management Team and will be reviewed alongside all other parking control requests.		33
196	09.11.17	Petition against the unsafe build out proposed by Baydon Parish Council at the junctions of Ermin Close and Finches	Petition referred to the Cabinet Member for Highways and Transport, a full response was sent confirming a safety audit identified sufficient visibility for the scheme. In addition to this, lines and bollards would		82

		Lane, Baydon, Marlborough.	give warning to motorists from 80m. other queries in the petition were also addressed and the proposals were presented to the Area Board and agreed on 28.11.17.		
197	20.12.17	Petition for safety measures at Chippenham crossing.	Petition referred to the Cabinet Member and will be discussed at the CATG in February. The petitioner was responded and invite to make contact with Democratic Services to discuss how the petition was being progressed.	Chippenham Crossing Petition	463
198	04.01.18	Petition for reduction of speed limit and SLOW marking on Lower Kingsdown Rd.	Petition referred to the Cabinet member and petitioner invited to log the issue with CATG.		56
199	10.01.18	Petition for roundabout or traffic lights at black dog crossroads on A360.	Petition referred to highways and petitioner was advised the threshold of personal injury collisions (3 per year) required to trigger a review of the junction had not been reached and the Council was prioritizing high risk sites.		259
200	18.01.18	Petition for Electric Vehicle charging points	Petitioner referred to Fleet Services for response. Petitioner advised the Council has 60 charging points across the county, including two in Devizes. Fleet services have conducted assessments of the current infrastructure and, although there are no immediate plans to introduce more at this time, the Council continues to keep this under review, along with funding opportunities and use the assessments to make plans for the future of the infrastructure.		193
201	22.01.18	Petition on Westbury Waste Incineration	Petition referred to Planning and Waste & Environment for response. In summary, it was	Westbury	87

			explained the proposed gasification facility is not an incinerator and construction of this facility is a commercial enterprise which is intended to receive commercial and industrial waste from across the region, and is not a product of Wiltshire's waste strategy. The Council has no plans to review the planning permission granted which was made after a full assessment of the relevant planning considerations. In addition to the planning permission, a separate permit from the Environment Agency (EA) is required under the environmental permitting regime. The facility is required to have a permit granted before it can enter into use. This permit is specifically designed to control emissions to air, soil and water.		
202	29.01.18	Petition to extend off-street resident permit parking scheme at Wood Street and Borough Fields Car Parks	Petition presented to the Royal Wootton Bassett and Cricklade Area Board and referred to the Cabinet Member for Highways and Transport. The petitioner was advised the council has been subsidising the Royal Wootton Bassett RPS for a number of years, resulting in unfairness of charges elsewhere. With the need to fund vital services the Council has to question discretionary spending and subsidised schemes, therefore decision was made not to subsidise the Resident and Season Ticket schemes after September of this year. Everyone will be moved onto a percentage of the day rate to ensure fairness in every car park.		60
203	29.01.18	Petition proposing that Southwick Country Park remains free of parking	Petition was presented to Cabinet on 30.01.18 and representatives of Southwick Country Park were invited to make a statement. The Cabinet member		435

		charges	agreed to meet with representatives to discuss their options for a community asset ahead of the implementation of any decision.		
204	31.01.18	Petition for zebra crossings around the Queens Crescent School area.	Issue already logged with CATG and will be discussed at the next meeting. The Town Council supports the request for an up to date survey and agreed to contribute 25% towards costs.		247
205	08.02.18	Petition to reconsider a decision to instate double yellow lines due to concerns that due process has not been followed.	Petition referred to the Cabinet Member for Highways and Transport, and democratic services for investigation. Upon reviewing the process it was confirmed the decision was made in accordance with due process and statutory requirements.		25
206	20.02.18	Petition to introduce measures to reduce speeding vehicles in Minety	Petitioner advised to log the issue with the Community Area Transport Group (CATG) and the matter will require the support of the Parish Council to be progressed.		54
207	21.03.18	Petition for Arts Space in Chippenham	The petition was initially a response to planning application 17/05828/FUL however was not submitted as part of the consultation prior to determination. The Planning Authority must consider each application on its merits and cannot consider aspirations for other possible schemes.	online	1264
208	04.05.18	Petition for a review of the proposal to increase the	The council had been heavily subsidising the off street residents scheme in car parks for many	online	1

		<p>parking charges in the Trowbridge area</p>	<p>years. The scheme was not available to the vast majority of residents across the county and had resulted in disparity in charges elsewhere.</p> <p>With the need to fund vital services the council had to question discretionary spending and subsidised schemes.</p> <p>The decision was made not to subsidise the Resident and Season Ticket schemes after September 2018.</p> <p>Sunday charging was proposed to be introduced to provide consistency across the county.</p> <p>Consultation with all relevant stakeholders via the local press, WC website and also on notices within our car parks had taken place, the council considers this an effective method of communicating any proposals and welcomed comments during those consultations.</p> <p>A report for the Cabinet Member for Highways and Transport was produced based on the comments received.</p>		
209	03.06.18	<p>Petition to lower the 50mph speed limit on the newly opened section of Leap Gate, installation of traffic</p>	<p>As the road through Leap Gate was a local distributor road designed and planned to accommodate all types of through traffic, it was currently fit for purpose and there were no plans</p>		1002

		calming measures and to stop promoting the use as a bypass for all local traffic	to introduce traffic calming. The land North and South of Leap Gate was currently undeveloped and there were forthcoming planning applications for proposed developments. Applications can be found here and here A speed reduction would not be considered until the land had been developed		
210	28.06.18 To 16.11.18	Special Schools petitions: Larkrise - To help WC obtain Ashton Street Adult Centre for Larkrise Special School in Trowbridge Rowdeford – to urge Wiltshire Council to keep the school on the current Rowdeford School site St Nicholas – Don't Close this Special school in Chippenham	Debated at Full Council – Points referred to Cabinet in March 2019	Online Online Online	8430 – Larkrise 8927 – Rowdeford 7718 – St Nicholas
211	18.07.18	Petition to re-surface the	Following investigating, the footway was found		245

		pavements of St Thomas's Road, Trowbridge.	not to be in an unsafe condition and would be monitored. To be re-considered along with the proposals for work in 2019/20.		
212	01.10.18	Parking and traffic obstructions in Delamere Road, Trowbridge	Requests for parking restrictions are reviewed and prioritised annually. Trowbridge was third on the system for a parking review (at the point of enquiry) after Chippenham and Devizes. When Trowbridge was considered, Delamere Rd would be included. It was anticipated that a review of the requests for Trowbridge would take place later in October 2018.		18
213	21.10.18	Petition for a Bus Shelter on leap gate, in the Pipistrelle area (next to post box)	The area in question was not yet adopted highway and was still within the developers control, therefore WC advised it was unable to install a shelter at this time. The Community Area Transport Group for the area also took the stance that no new bus shelter installations would be supported as maintenance must be undertaken by the local town or parish council. It was advised that any requests for bus shelters go straight to the relevant first tier authority		13

			(parish or town council).		
214	30.10.18	<p>Petition relating to – The Bank Cocktail Lounge 18 High Street Amesbury – 4 areas of concern:</p> <ul style="list-style-type: none"> • Closing Times • Speed Limits • CCTV Cameras • Urination in doorways 	Cabinet Member met with petitioner and liaised with local groups to address matters of concern.		2
217	08.11.18	Petition to fight against the proposals for the Queen Elizabeth 2 Field.	Considered as part of the Spatial Planning consultation - links to the consultation report and appendix J		348
218	14.01.19	<p>Petition from the Residents of High Penn, Calne:</p> <p>request for a 75 yard stretch of footpath, due to issues:</p> <ol style="list-style-type: none"> 1. Lack of visibility when entering Oxford Rd from High Penn Lane 	<p>Petitioner advised that without a developer commitment or deposited funding, the best approach would be to take the request to the Calne Community Area Transport Group (CATG), via the Calne Town Council - with the request that they consider funding and arrange the footway provision.</p> <p>A copy of the response was copied to Calne TC for information.</p>		14

		2. Danger to school children and pedestrians living in High Penn Lane and Weston Meadow when they walk to and from the new bus stop.			
219	22.01.19	Petition to make Athelstan Road safe for emergency access – Waiting restrictions request at the junction of Athelstan Road and St Aldhelm Road, Malmesbury.	The Issue was due to be considered at the Malmesbury Community Area Transport Group in March 2019.		
220	22.01.19	Devizes Market place parking Petition the council to Renegotiate the transfer of responsibility to Devizes Town Council for the management of Devizes Market Place and allow the town council to keep the car parking facilities there for the benefit of townspeople,	The asset transfer was approved by Wiltshire Council's Cabinet and Devizes Town Council. Due to be completed in April 2019 although possibility for a delay to the changes to the market place at the request of the town council for a short period of time. The Devizes Area Board was scheduled to meet on 18.03.19 which would ensure the outcome of the petition and any debate were available before the transfer occurred.	Online	717

		visitors and local businesses			
221	07.02.19	Petition against the relocation of Salisbury Library	Submitted to Full Council, along with a motion on the same subject. Referred to Leader/Cab Member, who would carry out further consultation with Salisbury Area Board and Full Council.		5429

Online	2,646
251	26.07.2021	Social distancing traffic system in Bradford on Avon with reference to Wine Street 21330	A response was provided to the lead petitioner from Dave Thomas (Highways Engineer). Cllr Mark McClelland (Cabinet Member for Highways) and the local Bradford on Avon Area Board Members were informed about the petition. The response outlined that as the scheme was installed under a temporary traffic regulation order, requests to make it permanent would only be considered once the temporary scheme has been removed, and only then in close consultation with the Town Council and with the broad support of the local community. It will now be for the Town Council to consider the future options within Bradford on Avon including Wine Street.		55

252	13.09.2021	Climate Change Strategy	A response was provided to the lead petitioner from Ariane Crampton (Head of Carbon Reduction). Parvis Khansari (Head of Highways and Environment) and Cllr Nick Botterill (Cabinet Member for Climate Change) were informed about the petition). The response outlined that the council does not agree that no meaningful action has been taken to reduce countywide emissions. The council has published four progress updates to Cabinet and Council in the past 2 ½ years which set out a wide range of activity. The last one was published in July 2021 (see item 30 here), at which point a total of £88.095m capital and £3.871m revenue had been approved for the council's climate programme. The council itself has reduced its carbon footprint by 81% since 2014-15 and countywide emissions came down by 16% just between 2014-15 and 2019 (the latest data available from government).	Online	127
