

The Salisbury Area Board's Health and Wellbeing group met on Wednesday 1 June, including attendances from Karlene Jammeh (Community Engagement Manager for Salisbury), Irene Kohler (Older People's Champion and chair of Silver Salisbury), Helen Dowse (Carer's Champion) and Anne Trevett (Chair of Safer and Supportive Salisbury) and Pip Loach (Senior Prevention and Wellbeing Officer).

Grant applications were reviewed that benefit and improve older and vulnerable residents' health and wellbeing in Salisbury and seek to address the local priorities for Salisbury:

- Youth engagement, employment and positive activity opportunities
- Addressing climate change
- Supporting positive mental health and wellbeing
- Supporting low-income individuals and families
- Celebrating diversity

The total amount in the Older People and Vulnerable grants fund for 2022/23 is £7,700.

Six Older People and Vulnerable Adults grant applications for Salisbury were presented to the group and the following recommendations have been made to the Salisbury Area Board:

Grant application	Project cost	Amount requested	Amount recommended	Rationale
Salisbury Soroptimists - Feeling Safe in Salisbury Event	£1,450.00	£500.00	£500.00	 The Safer in Salisbury initiative has progressed significantly since the conference in 2021, engaging key local partners to support the comprehensive action plan
				 This project will positively impact individuals and groups in the city, and delivers an important strong message in the community
				 The panel have recommended the full amount of £500.00 to be awarded. However, an undue amount should not be spent on expenses for people in employment
Silver Salisbury – Silver Salisbury Programme 2022	£1,980.00	£990.00	£990.00	 The Silver Salisbury programme is a huge success and has progressed for 2022 by delivering activities throughout the year

				 A significant number of older people in Salisbury are positively engaged and the programme helps to address social isolation of older and vulnerable people in the city The Silver Salisbury group are actively seeking funding from alternative grant sources to provide longevity and sustainability to this project in order to make it less dependent on Area board funding in the future The panel have recommended the full amount of £990.00 to be awarded
Salisbury Methodist Church – Salisbury Community Hub for Ukraine	£3,059.96	£999.86	£700.00	 The project demonstrates the significant impact and support for the Ukrainian refugees, being a vulnerable part of our community in Salisbury With a high number of applications and a limited amount of funding remaining in this funding pot for the amount of applications submitted, the panel agreed to part-fund this project Therefore, the panel would recommend a significant contribution of £700.00 Alternative funding sources can be suggested for the additional £299.86
Harnham Cricket Club – Over 50's cricket	£1,600.00	£800.00	£400.00
