He was aware that speeding was a big issue for all area boards and stated that the Community Speedwatch offer was being improved, 3 more cameras had been purchased and teams were being trained on their use. The Deputy PCC was keen to encourage people to report any crimes. He was aware of some frustrations regarding the reporting of crime, however the more that was reported the more it would help to plan and target resources.</li> </ul> <p>Hare coursing was a problem in the rural areas, which was usually linked to criminal gangs coming in from out of the area and would get live streamed across the internet for betting purposes. Night vision cameras and very bright torches had been purchased to help combat this problem.</p> <p>The police station in Salisbury generated discussion, the current site at Bourne Hill was not as good as it needed to be, and work was ongoing to narrow down options for a possible new police station. A local resident in attendance gave feedback regarding a fire which had taken place in their street and praised the fire service for their quick response. In response to a question on false alarms, it was explained that these were where fire alarms were triggered rather than hoax calls.</p>

	<ul style="list-style-type: none"> <li>• Cost of Living</li> </ul> <p>The Chairman discussed the cost of living crisis and what could be done to help communities. Leaflets on where to go for help were available at the meeting and are attached to these minutes. Netheravon Parish Council had recently held a useful meeting to discuss the issues and thanks were given to the food banks provided by the Trussell Trust, who had seen their usage more than double. It was hoped that parishes could help to compile a warm spaces directory or places where people could go if they needed warmth.</p>
49	<p><u>Shared Lives</u></p> <p>Amy Smith, Manager, Respite and Day Services, gave an update to the meeting on the Shared Lives Service. The Shared Lives Service helped people to live as part of a family, within the carers home, where they receive the support or care that they need.</p> <p>The service placed adults who have mental health needs or learning disabilities, physical impairments, or are elderly, or those who, for a variety of reasons, cannot manage to live without support. The scheme had existed in Wiltshire for 40 years plus, where care and support for up to three people was provided in the home of the Shared Lives carer.</p> <p>The scheme provided short term, respite and home from hospital care, as well as long term and sometimes daytime support.</p> <p>Shared Lives carers were provided with training and support and carefully matched with someone who would suit their circumstances and lifestyle. References and DBS checks would need to be completed in order to ensure suitability. Carers received weekly fees, the rate of which varied depending on the level of care to be provided.</p> <p>Anyone interested in becoming a Shared Lives Carer was encouraged to contact the team on <a href="mailto:sharedlives@wiltshire.gov.uk">sharedlives@wiltshire.gov.uk</a> or 01380 826451. Further details were also available online at <a href="https://adults.wiltshire.gov.uk/Services/1366/Shared-Lives-Wiltshire">https://adults.wiltshire.gov.uk/Services/1366/Shared-Lives-Wiltshire</a>.</p>
50	<p><u>Recognition and Rewards</u></p> <p>The Stonehenge Area Board Recognition and Reward Programme was announced. At the December Area Board meeting on 15 December, 6.30pm at Antrobus House, the Health and Wellbeing Group wanted to recognise volunteers who had made outstanding contributions to the community. The process for nominating people for awards was detailed:</p> <ul style="list-style-type: none"> <li>• Nominations to be received by 10 November 2022.</li> </ul>

	<ul style="list-style-type: none"> <li>• Area Board Members to review nominations on 14 November.</li> <li>• Winners to be contacted W/C 14 November.</li> <li>• Presentations at December Area Board.</li> <li>• There were 5 categories for the awards: <ul style="list-style-type: none"> <li>◦ Individual</li> <li>◦ Organisations</li> <li>◦ Young Persons</li> <li>◦ Outstanding Service.</li> <li>◦ Long term achievement awards</li> </ul> </li> <li>• All nominations were to be sent to Councillor Graham Wright on <a href="mailto:graham.wright@wiltshire.gov.uk">graham.wright@wiltshire.gov.uk</a> by 10 November.</li> </ul>
51	<p><u>Cluster Meetings and Clinic Details</u></p> <p>The Chairman detailed Cluster meeting and Clinics as follows:</p> <p><b>Clinics on Line</b></p> <ul style="list-style-type: none"> <li>• Monday 3 October 2022 - Reward and Recognition</li> <li>• Tuesday 8 October - Community help with Cost of Living</li> </ul> <p><b>Cluster Meetings dates in Person</b></p> <ul style="list-style-type: none"> <li>• Avon Valley Monday 7 November 8pm Netheravon Working Mens Club</li> <li>• Shrewton, Tilshead, Orcheston and Winterbourne Stoke – to be confirmed</li> <li>• Durrington Amesbury and Bulford – to be confirmed</li> <li>• Cllr Kevin Daleys Area South of the A303 – to be confirmed</li> </ul>
52	<p><u>Area Board Priorities Updates</u></p> <p><b>Paths 4 All</b></p> <p>Councillor Ian Blair-Pilling as lead on Paths 4 All gave an update to the meeting.</p> <p>The initiative had been relatively dormant with only sporadic activity. The aim was to improve the access to and usage of our Rights of Way (RoW) and was created as a bottom-up driven initiative. The core mechanism was the award of grants in which the money would follow the enthusiasm. Accordingly, any activity not requiring a grant would not be seen or recorded.</p> <p>The nature of grants was potentially as wide as people's imagination. Advice was available from Councillor Blair-Pilling or the SEPM and those who had already made use of the initiative such as Mary Towle. While there were no set limits, it was preferred to award more smaller grants rather than a few larger grants and they were looking for matching contributions, in either funding or effort.</p> <p>In the last 12 months £1,203.48 had been awarded towards Paths 4 All grants.</p>

	<p>Current residual funds available were:</p> <p>Community Area Grants - £2,296.52  HWB - £246.00  Youth - £1,000</p> <p>It was highlighted that grant rule changes meant that unless already committed we could no longer make capital grants to precept raising bodies (i.e. parish councils).</p> <p>The authority for such grants currently lay with the SEPM and Councillor Blair-Pilling, (up to £500 per application outside of Area Board meetings) the suggestion was that this was allowed to continue. For audit purposes applicants did need to complete a grant application on the system as normal.</p> <p><b>Protect the Environment and Reduce Carbon Footprint</b></p> <p>Councillor Rob Yuill, as Area Board lead in this area, gave an update to the meeting.</p> <p>Councillor Yuill stated that Amesbury Town Council had ordered an electric vehicle to replace a diesel van. Delivery was awaited. An electric vehicle charging point would be installed at the Bowman centre.</p> <p>When waste bins around the town needed replacing these would be replaced with dual recycling / waste bins to encourage recycling.</p> <p>The gas boiler at the Bowman Centre was to be replaced with a Hydrogen ready boiler. Heat pump technology was considered and discounted due to the amount of glass panels in the main hall making the technology impractical. However, the new History Centre was complete and was designed specifically to be heated by air-source heat pump.</p>
53	<p><u>Health &amp; Wellbeing Group</u></p> <p>Councillor Monica Devendran as Chair of the Health and Wellbeing (HWB) group gave an update to the meeting.</p> <ul style="list-style-type: none"> <li>• The HWB group meeting was held on Wednesday 6 September at 2pm at Evergreen court and it was well attended. However, it was felt that more work needed to be undertaken to encourage partners to engage.</li> <li>• A round table discussion was held to discuss any ongoing projects and ideas for future projects</li> <li>• Coffee and chat mornings were discussed with future dates, venues etc to be confirmed. The next coffee morning would be held on 11 November, 10.30 am at the Holiday Inn in Solstice Park.</li> <li>• Christmas Health and Wellbeing Event discussed – there was potential to</li> </ul>

## ENERGY SAVING TIPS

### 30 DEGREE WASH

Setting your machine to a cooler wash saves a significant amount of energy so it pays to do this where possible.

### CHECK YOUR THERMOSTAT

Turn down your thermostat by one or two degrees and put on an extra layer of clothing which can save between £5 and £10 per month on your energy bill.

### DON'T OVER-FILL

Boiling a kettle half full instead of full four times a day can save enough energy to run a TV for four hours so just boil what you need instead of filling up the whole kettle.

### DEFROST FREEZERS

Keeping your fridge and freezer free of frost will boost their efficiency and use less energy. Keeping your fridge at least three quarters full will also mean it needs less energy to keep at the same temperature.

### SWITCH OFF STANDBY

Leaving electrical devices on standby such as TV's and microwaves amounts to around 8% of the average electricity bill. This could save you £30 per person per year.

### SWITCH TO LED

LED bulbs are more energy efficient than regular lightbulbs. This small change can be implemented gradually when your current bulbs reach end of life.

For more information about advice on saving energy or reducing your bills, contact the Resident Engagement team by email to [tenantparticipation@wiltshire.gov.uk](mailto:tenantparticipation@wiltshire.gov.uk), via the iHousing Portal or by phone on 0300 456 0117 – option 5
