- a. The purpose of this report is to ask the Cabinet Member to agree the school term and holiday dates for 2024/25 for Wiltshire's Community, Voluntary Controlled and Community Special Schools.

2. Relevance to the Council's Business Plan - Not applicable**3. Main Considerations for the Council**

- a. To fulfil our statutory duties under Section 32 of the Education Act 2002, the local authority is responsible for determining the term dates for all community, voluntary controlled or community special schools in Wiltshire.

4. Background

A protocol for the setting of school term and holiday dates has been endorsed by the Teachers Joint Consultative Committee.

The South-West Officers Group made up of officers from neighbouring Local Authorities, co-ordinate several times a year to facilitate consultation to ensure that we propose similar, if not the same, dates.

Each school has a statutory responsibility to operate 380 sessions, the equivalent of 190 days, direct teaching to children each year. Schools in Wiltshire have indicated a strong preference for a 195-day calendar which permits 5 staff development days to be set within term time dates. The Headteacher and Governors of each individual school determine when these days are taken.

The 2 term date options sent out for consultation to Schools and Governors, and a consultation form placed on the Council's website for parents and the public to comment. In total there were 538 (77%) consultation responses received supporting Option 1, compared to 157 (23%) for Option 2.

The final decision is made under the delegated authority of the Cabinet Member for Children, Education and Skills, in consultation with the Teachers' Joint Consultative Committee. The responses to the consultation are summarised in Appendix B. At their meeting on 9 March 2023, the Teachers Joint Consultative Committee considered the consultation responses and confirmed their support for Option 1.
