Submitted	Initial proposal suggested not approved.		
20/03/2020	Further request to investigate build outs.		

and road markings	No engineering resolution had been identified. A speed limit review was considered unlikely to result in a reduction in the limit, however Bob Jones would go to the Parish to		
	ask whether they wish to follow that route.		
	Parish Council have requested speed limit review which has been ordered via Atkins. It was confirmed that the Parish had agreed to contribute 25% of the costs.		
	Atkins have completed review with recommendations of part 50mph and part 40mph.		
	Sent to PC for consideration bearing in mind Biomethane Castle Eaton Ltd application and potential change to traffic volumes.		
	PC have requested changes to be implemented. Advert schedule sent to Traffic Orders team. Advert from 13 th April to 8 th May.		
11-22-2 The Elms/	Speed reduction.	To be approved by Parish Council.	LMP
Washpool	Teams meeting undertaken with Parish Council. Issue highlighted and some suggestions
