

**COMMENTS RECEIVED ON THE COUNCIL'S
PROPOSED WAITING RESTRICTIONS AT OLDFIELD PARK AND QUEENS ROAD AREA, WESTBURY**

TABLE OF COMMENTS IN SUPPORT OF THE PROPOSALS

Comment Ref. No.	Comment	Officer Response
1	In response to the proposed waiting restrictions, Westbury Town Council wish to offer their total support to this proposed traffic order LJB/TRO/WEST3.	Thank you for your comments of support for these proposals.

TABLE OF COMMENTS OBJECTING TO THE PROPOSALS

Comment Ref. No.	Comment	Officer Response
1	As a resident of Oldfield Park I strongly object to these restrictions. There are not enough parking spaces as it is for this current climate and residents often have to park on the straight or in the y shaped area. Surely you should be in consultation with Selwood as they own the grass (I am not a Selwood resident but find it very frustrating that they refuse to put more spaces in the green area as it's not financially beneficial to them) to put in more spaces or allow us to access our front gardens to convert to driveways and if a green is desperately required then put it in the middle and make the road run around the outside. This is not forward thinking for the residents, what if we wanted to have a charging point at our property for an electric vehicle, we can not do this. Also a majority of which will no nothing about this as we have not been notified, we do not go to the library and we do not buy the Wiltshire Times.	<p>The comments within this response are noted however highway law states the public highway is for the passage and repassage of persons and goods. There is no legal right for motorists to park on the public highway, nor obligation upon Wiltshire Council (as the local highway authority) to provide parking. Parking within the confines of the public highway is tolerated so long as it does not impede the right of passage along it.</p> <p>The comments regarding land owned by Selwood Housing are noted, however unfortunately Wiltshire Council are not in a position to comment on land which does not form part of the public highway.</p> <p>In addition to the newspaper advertisement and a hardcopy of the documentation at Westbury library, throughout the duration of the consultation period a number of site notices were placed at the proposal sites. Please refer to Appendix 5 for information.</p>
