Is your group or organisation looking to train new minibus drivers?

MiDAS is a training scheme designed to enhance driving and safety standards for drivers of minibuses. MiDAS is a nationally recognised standard for the assessment and training of minibus drivers.

Community First is now taking bookings for MiDAS training with our MiDAS Training Coordinator Martin Carter. Martin is a retired Police Advanced Driver with over 35 years' experience of driving minibuses. "Excellent course. Great trainer!"

MiDAS Training Feedback

MiDAS Training includes a theory and practical test, along with detailed information on how to operate and manage a minibus safely. Drivers who pass both the MiDAS practical and theory tests will receive a certificate which is valid for four years.
