

Appendix Two – Marlborough Town Council resolution for asset transfer.

412/23

COMMUNITY AND YOUTH CENTRE

Members considered a proposal to accept the Marlborough Community and Youth Centre from Wiltshire Council by means of an asset transfer at nil value on the basis of an asset transfer document for community use and an overage clause of 75% uplift on future disposal.

***Councillor Farrell** was delighted and thanked a long list of people, including **Councillors Davies and Thomas**, and **Councillors Hall and Ross** who had begun the petition to save the Youth Centre around 10 years ago.*

RESOLVED: *to accept the proposed asset transfer of Marlborough Community and Youth Centre from Wiltshire Council to Marlborough Town Council*
