There are currently a limited number of places available. Schools who are interested in the Alternative Provision offer should arrange a place as soon as possible to take advantage of this fantastic opportunity for young people to experience the many benefits of adventure and outdoor learning.

Community Transport Services - Directory

If your organisation works with people in rural areas, you may already be aware of the service provided by Link Schemes and Community Minibus Groups. Community transport services offer a vital lifeline to local facilities and medical care for people across the county. Community First offers support to local transport groups and provides a directory of contact details for individual Link Schemes and Community Minibus Groups. This directory can be filtered by approximate location e.g. nearest town and by keyword search for specific local areas.

Demand for access to transport services has increased in recent years. We have also seen an increased volume of requests for help with transport which are being sent directly to Community First. Whilst we offer support to local transport services, we cannot make transport arrangements for individuals directly. If you work with people who need help with transport e.g. for medical appointments, please share the link to the Community Transport Directory with them so they can contact their local service:

Voice It, Hear It

We have previously included information about the Voice It, Hear It project in updates for Area Boards. Voice It, Hear It, is a co-production and engagement project that unifies the collective strength of its partners to support the voice and engagement of people in Wiltshire. The project is funded by Wiltshire Council and BSW ICB and delivered by Community First, Wessex Community Action, Wiltshire Service Users Network, Age UK Wiltshire, Alzheimer's Support and Celebrating Age Wiltshire.

The Voice It, Hear It team is continuing to support Wiltshire Council, BSW ICB and other partners to deliver engagement projects on a variety of topics. Topics for Autumn 2024 include technology, health screening, dental care and accommodation. As mentioned in our September briefing, there is also an opportunity for extended partners to join our Voice It, Hear It Engagement Network.

In addition to direct engagement through face to face groups and meetings, the project also offers opportunities to participate online through surveys. A list of current surveys and other opportunities to be involved can be found on the Voice It, Hear It landing page on the Wiltshire Together website:

<https://wiltshiretogether.org.uk/voice-it-hear-it>

Scroll down to the section called 'Voice It, Hear It activities' for a list of current surveys.

Please share this link with your contacts and service users (if appropriate) so that we gather as much useful feedback as we can about local services. This will help to inform the creation of new services or change the way services are delivered locally to make them better for the future.
