Community Area Grants – Funding Criteria

You need to ensure that your application meets all the essential criteria shown below:

The Council will not consider grant applications for:

- (a) Political or Religious activities (although secular activities promoted by faith groups are welcomed)
- (b) Statutory bodies to fund their core services (includes direct funding for schools/PTAs)
- (c) Sole benefit of individuals
- (d) A private - profit making/commercial organisation
- (e) Running costs – e.g. rent, rates, electricity, etc (other than one-time only start-up costs)
- (f) A project that has already started. This includes projects where orders/instructions have been agreed and resources committed
- (g) Projects which could reasonably be expected to secure finance by other means
- (h) Projects that have already received funding in the same financial year
- (i) Projects that are either anticipating, or are already in receipt of, financial support from Wiltshire Council
- (j) Fundraising activities where the core activity is to raise funds for a third party
- (k) Training of trustees or fundraisers
- (l) Projects that are being administered through a third party

An exception to the above criteria may be considered if your project can demonstrate a wide community benefit – you will need to provide details of the reasons why you feel such an exception should apply.

1. Applications are invited from not for private profit organisations or groups; clearly showing a need for financial support, through evidence of current financial status; e.g. bank statements, audited accounts.
2. Please provide the information requested by completing the application form. Any additional information (other than accounts, quotes and constitution/terms of reference) will not be considered.

3. Projects should demonstrate a link to local priorities/community plan or evidence of an identified community need.
4. Successful applicants should not seek any additional financial support from Wiltshire Council for the same project.
5. Projects where the total cost of the project is up to and including £1,000 do not require match funding, except where they come from Town/Parish Councils.
6. Grants will not normally exceed £5,000.
7. 'Contributions in kind' either as volunteer time or materials may be costed into your project calculations, based on a maximum of £50 per day for general volunteers and £100 per day where professional/technical advice is provided e.g. architect drawing up plans. Please include this information in section 2 and 5 of the application form.
8. For funding requests over £1,000 financial support from other sources must be identified (matched funding), which can be made up or in part by contributions in kind. No more than 50% of the total cost of a project will be awarded (with the exception of Town/Parish Councils).
9. Applications from Town and Parish Councils will not receive more funding (cash) than that contributed by that Town or Parish Council, since they are able to raise funds through their precept.
10. Applications must be received a minimum of 6 weeks before the relevant Area Board and will only be considered if the application fulfils the criteria and all the necessary information has been received.
11. Applications must show how you plan for the future of your project. Where the total cost of the project exceeds £50,000, a project or business plan should be provided including estimates from the suppliers that you intend to use to complete your project.
12. Where the *total* cost of the project is less than £5,000, a single written quote must be provided. This must be from the supplier you intend to use. Where the total project costs exceed £5,000 a minimum of three quotes/estimates must be submitted with an indication of the supplier you intend to use.
13. If your project requires planning permission, building regulations or any other form of licence or approval, this must be sought before submitting your application. Any grant shall be conditional on approvals being received.
14. Applicants must acknowledge Wiltshire Council's financial support in any publicity, printed or website material and use the council's approved logo.
15. If successful, you must provide copies of all receipts and invoices associated with your award and information/photographs to demonstrate how your grant was spent.

16. Funding can be drawn down by successful applicants only when **all** award criteria have been met (e.g. matched funding is in place) and on confirmation that the project which funding has been awarded to will proceed in the next 3 months. All funding awards would normally be **paid to** or **invoiced by** the recipient before the end of the financial year - **31 March** - (unless an exception is agreed). It is the recipients' responsibility to ensure this condition is met. Failure to do so will result in the award being withdrawn.

If you have any queries about the application process or you wish to discuss your project before submitting your completed application please contact the Community Area Manager.
