Engaging Communities

ENGAGE REGULARLY WITH COMMUNITIES BY HOLDING FACE TO FACE EVENTS

- We will hold at least one public meeting / surgery per month, giving you a chance to meet your local team and find out more information on local policing priorities, crime stats and engagement opportunities
- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

PUBLISH INFORMATION ON YOUR LOCAL TEAM, LOCAL PRIORITIES AND UPDATE ON ACTIVITY

- We will provide you with information so you know who your local Neighbourhood Policing Team is by publishing this on the **Your Area** section of the Wiltshire Police website
- We will publish monthly local priorities on the **Your Area** section of the Wiltshire Police website and, through our regular engagement with you, we will consult you when we are setting them
- We will provide community updates on activity being carried out to help tackle local priorities
- We will ensure intelligence-led visible patrolling in local communities, at least once a week, responding to local policing issues and concerns
- We will publish local policing updates, wherever possible, in community magazines / newsletters or bulletins.

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
- We will consult regularly with our Independent Advisory Groups (IAGs) to ensure they have a voice as a critical friend to help shape our policing service.

Reporting crimes and incidents – Its really important to encourage the correct procedure on reporting crime and incidents – this needs to be via 101 or online crime report- or 999 in an emergency – Local Poling team can not take reports and can not action matters going on in the community with out the correct process being followed- Data is extremely important to us and this is how we can effectively and efficiently manage what's going on in our area and allocated the correct resources at the correct times , we can also see trends , peaks and exceptions to crime and incidents

CSW / Local Speeding

Local Policing team understand that Road Safety and Speeding is a priority for the Community – the local team where and when possible will be out conducting speed checks with the support from the road traffic department.

Before you can set up a CSW, a traffic survey needs to be undertaken. You may have seen these: they are the two rubber cables across the road. The process for doing this is to raise your concerns regarding speeding with your local area board/Parish Council:

[Wiltshire Area Boards](#)

[Swindon Borough Council Parish and Town councils list](#)

You will be asked for details, including where exactly the speeding occurs. If agreed by your Parish / Town Council, the traffic survey will be requested.

If the site meets the criteria for CSW, the CSW Co-ordinator based at Wiltshire Police will make contact and advise on the next steps

For more information on CSW please

New mobile police stations

To reach our rural communities and villages the team will be out in the New mobile police station when they can – these will be advertised on social media time dates and locations , they will also be at community events .

Parish Councils

We are trying to work more closely with our Parish Councils – Each Parish council should have contact with their Local PCSO who should be offering support – due to the amount of Parish councils its not possible to get out to all meetings face to face

Parish council forum for County Set up by Chief Inspector Brain – via teams for all Parish councils – currently these will be run 4 times a year
