Wiltshire Local Transport Plan Consultation

Service:	Highways and Transport
Date prepared:	28 November 2024
Further enquiries to:	Simon Lymm, Strategic Specialist
Direct contact:	simon.lymn@wiltshire.gov.uk

The consultation for the Local Transport Plan 4 (LTP4) began on Thursday 28 November and runs until 23:59 on Friday 24 January 2025.

LTP4 covers the period 2025-2038 and will set the strategic direction for all transport in Wiltshire, including roads, buses, rail, walking and wheeling, freight, electric vehicles, road safety, highway network management and enhancement, car parking and more. It will set out how the county's existing transport infrastructure will be improved in the coming years.

Transport is an enabler for economic growth and so the council has taken a strategic, place-based approach to this LTP, as what is right for the county's market towns and city may not be right for rural areas. The plan aims to work for everyone, wherever they are in Wiltshire and however they wish to travel.

It is also recognised that cars are critical to Wiltshire's economy and so the LTP is not about stopping people using cars, but about reducing congestion and enabling people to move to alternatives, such as electric vehicles.

To enable people to find out more about the consultation and to ask questions, anyone can sign up for information webinars on Tuesday 3 December at 6pm and Monday 13 January at 6pm. Both webinars will have similar content, so if you can't make one of them, please sign up for the one you can attend.

Physical copies of LTP4 are available in Wiltshire Council hub and libraries, and people can respond to the consultation online in any library with computer access.

Please help to share this information and encourage your communities to take part and share their view through online survey, which is available on the Wiltshire Council website – please search for 'Wiltshire Local Transport Plan'.
