- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

PUBLISH INFORMATION ON YOUR LOCAL TEAM, LOCAL PRIORITIES AND UPDATE ON ACTIVITY

- We will provide you with information so you know who your local Neighbourhood Policing Team is by publishing this on the **Your Area** section of the Wiltshire Police website

- We will publish local policing updates, wherever possible, in community magazines / newsletters or bulletins.

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
