What is a carers assessment?

Carers Assessments – Legal Rights

The Care Act 2014 came into effect in April 2015 and replaced most previous laws regarding both carers and people being cared for.

Under the Care Act, you are entitled to a carer's assessment where you appear to have needs for support.

You will be entitled to this support if you meet the national eligibility criteria.

Support for Parent Carers

Jo Hiller-Culley 

Parent Carers - Carers Assessment

Any parent carer can receive a support call from Carers Together Wiltshire and have an 'assessment'

If their child is **over 18yrs** they can have a **statutory carers assessment**, which may result in a funded service, if eligible.

If their child is **under 18yrs** we have developed what we call a '**parent carer needs assessment**' which is designed to help the carer to access unfunded support.

Joanna Roberts

Young Adult Carer Support Worker

Individuals aged 16-25 who provide unpaid care to a family member or friend.

Jo is someone to walk alongside, and empower, Young Adult Carers, while they navigate their future.

The logo consists of a central dark blue rounded rectangle containing the text 'Career Friendly Communities' in white. This rectangle is overlaid on a larger teal shape and a red shape. A green heart with a dark blue outline is positioned in the upper right corner of the teal shape.
